It is imperative for us to extend our gratitude for the warm reception we received from your college. We would also like to take this opportunity to convey our best regards to the faculty members and the campus management. We were impressed with the cordial support that was extended to us.

We will share a soft copy of the offer letters based on the final acceptance from the students shortly.

Once again, we would like to place on record our appreciation for this collaboration between Cognizant and your esteemed institution. Thanks to this long-standing equation, we have been able to identify the most driven individuals and build a strong and skilled employee base.

We look forward to our continued partnership and to further strengthen our position as the employer of choice.

Regards.
