We are pleased to extend you an offer to join ZS Associates India Private Ltd. ('ZS') as a Business Technology Analyst. We hope that you give this opportunity with ZS serious consideration.

Your joining location at 'ZS' will be driven by business needs that arise closer to your actual joining. We will try to align your joining location preference to the best we can manage however; it could be either Pune or Delhi office. We will confirm joining location closer to the actual joining date.

ZS has a special culture of collaboration and innovation. We produce work of outstanding quality, and we focus on learning, self-improvement and expertise to achieve that result.

Salary: Your annual gross salary will be INR 6,50,000, inclusive of your basic, fixed allowances and provident fund contributions; all associates are paid on the last working day of every month. Details of the compensation break up and office specific benefits will be shared with you closer to your joining after an office location has been finalized for you.

Starting Bonus: When you start full-time active, permanent employment with ZS, we will pay you a starting bonus INR 100,000 in your second month's payroll. However, if you do not then complete one full year (12 months) of continuous full-time employment with ZS immediately after that point for any reason (except for involuntary termination of your employment by ZS), then you agree to refund the starting bonus in its entirety.

Performance Bonus: ZS associates receive performance bonuses at the end of each year, based on eligible wages earned during the calendar year. During your initial 12 months, this bonus will be up to 10% of your base salary income earned. Your performance and the company's results will determine your incentive compensation.

Emerging Leader Reward Program: The expertise you gain over your tenure is valuable to ZS and we recognize your continued commitment and progression toward becoming a future leader in the firm. ZS rewards this expertise through a tenure-based incentive which begins after 18 months' tenure. Should your employment with ZS terminate for any reason (other than a dismissal by ZS without cause), then you agree to reimburse ZS for any ELRP payments to you within the previous 6 months (from the day you complete the tenure milestone).

All bonuses are determined at the discretion of ZS and are subject to all standard withholding taxes.

Provident Fund: When you begin employment with ZS, you will be enrolled in the Provident Fund program. In consideration of my employment by **Deloitte Consulting India Private Limited**, an Employer incorporated under the provisions of the Companies Act, 1956 and having its registered office at **Deloitte Tower 1, Survey No. 41, Gachibowli Village, Ranga Reddy District, Hyderabad – 500 032** (the "Employer") as **Analyst** and other valuable consideration, I acknowledge and agree that:

PRELIMINARY MATTERS

The Employer expects me to abide by all restrictions or obligations that are contained in such *Pre-existing Agreements or Arrangements* and to avoid involvement, while employed by the Employer, in any matter that could pose a conflict as a result of confidential information or intellectual property obtained by me prior to my *Employment*. I further represent that none of these restrictions or obligations, including those set forth in any non-compete agreements with prior employers, is inconsistent with my acceptance of the Employer's offer of *Employment* or my becoming, and serving as, **Analyst** of the Employer. To the extent applicable and if I am joining the Employer after having served as an employee or official of the United States Government, I further represent that: (1) I have disclosed my prior participation, if any, in any discussions or negotiations with, or decisions to award contracts to, the Deloitte U.S. Firms while I was employed by the United States Government; and (2) I had either recused myself or had not played an active role in the applicable United States Government agency's decision to award any contracts to the Deloitte U.S. Firms while I was employed by the United States Government.

PROTECTION OF OUR BUSINESS

3. **Reporting of Proceedings.** Except as provided by law and except as I have disclosed in writing in **Exhibit C** to this Employment Agreement, I represent and warrant that I have no *Proceedings* to report. Should I become a subject of any *Proceedings* during my association with the Employer, I agree to immediately report, in writing, all relevant facts to the Chief Talent Officer of Deloitte LLP, the Regional Talent Director of the Employer, and the Chief Ethics and Compliance Officer of Deloitte LLP. I understand that my responses are subject to audit and review by the Employer and others in accordance with applicable professional, ethical, legal, or Employer requirements, rules, regulations, policies, or practices, or other requests.
4. **Confidentiality.** I acknowledge that, by virtue of my *Employment*, I will acquire and be exposed to, have access to, make use of and/or create *Confidential Information*. Therefore, I agree to hold in trust and confidence all such *Confidential Information*. I will neither disclose any such *Confidential Information* to anyone outside a *Deloitte Entity* without the prior written approval of an *Authorized*

Signatory, except as required by my authorized duties for the Employer, nor use any such *Confidential Information* for any purpose other than for the benefit of a *Deloitte Entity*.

5. **Third Party Information and Property.** I agree that during my *Employment*, I shall not use or disclose any Confidential Information or Intellectual Property of any former employer or other person or entity without the prior written authorization of such employer, person or entity and the prior written consent of an *Authorized Signatory*. If I were to use or disclose any such Confidential Information or Intellectual Property without prior consent, and any of the *Deloitte Entities* become the subject of any claim from a third party regarding such unauthorized use or disclosure, I agree to hold harmless and indemnify the *Deloitte Entities* for any legal defense costs and/or damages related to any such claim.
6. **Authorization.** Only employees of the Employer holding a senior or managerial position with the Employer will be authorized by a specific authorization, delegation, or power of attorney to sign legal documents, representing the Employer. Similarly, only such authorized employees of the Employer may speak about the Employer, the business and plans, various client-related projects etc.
7. **Competing Activities and Conflict of Interest.** During the period of my *Employment* I will not, directly or indirectly, participate in or in any way render services or assistance to any business that is or may be competitive with a *Deloitte Entity*, whether or not for compensation, or engage in any conduct which might result in, or create the appearance of using my position for private gain or other than for the benefit of a *Deloitte Entity*, or otherwise create a conflict, or the appearance of a conflict, of interest with a *Deloitte Entity*. Such conduct shall include, but not be limited to, having an undisclosed financial interest in any vendor or supplier of a *Deloitte Entity*, accepting payments of any kind or gifts other than of a nominal value from vendors, clients or suppliers, or having an undisclosed relationship with a family member or other individual who is employed or associated with any entity in active or potential competition with a *Deloitte Entity*, and which creates a conflict of interest. I represent and warrant that I am not currently aware of any present or past violation of this provision.
8. **Authorization to Access Systems and Electronic Communications and use of Deloitte Property.** I understand that while employed with a *Deloitte Entity*, I will use and have access to the *Systems*. I also acknowledge that a *Deloitte Entity* has the right at any time to access, retrieve, delete, monitor, examine, use and/or disclose my *Electronic Communications* and information from (or about) me and the content, without notice to me, and that such *Electronic Communications* are considered part of a *Deloitte Entity's* business and client records and are not to be considered private or personal to me or any other *Personnel*. I further acknowledge that this right extends to *Electronic Communications* transmitted for either a business or personal purpose.

I agree that I am authorized to access the *Systems* only for approved business purposes and occasional personal use if such use does not interfere with my work responsibilities and other required business activities, business operations, or *Systems* performance. However, I also acknowledge that such occasional personal use does not create an expectation of privacy as to any of my personal *Electronic Communications* and, as such, are *Deloitte Property*.

I further acknowledge that I am not authorized to use the *Systems* for personal gain or any illegal or unethical use. I agree that under no circumstances am I authorized to access any of the *Systems* for the purpose of obtaining *Deloitte Property* for a competitor of a *Deloitte Entity*, transmitting *Deloitte Property* to me (e.g., emailing *Confidential Information* to my personal email address) or to a third party for purposes other than furthering the business objectives of a *Deloitte Entity*. I am not authorized to download a *Deloitte Entity's Confidential Information* or other *Deloitte Property* to removable media such as a CD Rom, disk or thumb drive other than as authorized for furthering the business objectives of a *Deloitte Entity*.

I will be responsible for the safe keeping and return in good condition and order of all the *Deloitte Property* that may be in my use, custody, care or charge. For the loss of any *Deloitte Property* in my

possession or custody or for which I have been assigned responsibility, the Employer will have a right to assess on its own basis and recover from me, the damages in respect of such materials (out of the amounts due to me or otherwise) and to take such other legal action as it deems appropriate including termination of my employment without notice or payment in lieu thereof in the event of my failure to account for such material or property to its satisfaction.

9. **Security.** I am provided with a worktable and lockable storage space. I will ensure they are locked when unattended and understand that a duplicate key will only be provided if I sign for it. I am required to display my identity card to the appropriate security personnel on demand and at all times within the office premises.

10. **Ownership of Works.**

a. I agree that the Employer owns all rights, title and interest in and to all *Works*.

b. I agree that all *Works* are deemed works made for hire under India copyright or applicable laws or equivalent laws of any applicable foreign jurisdiction, and all *Intellectual Property Rights* therein vest automatically in the Employer upon creation of the *Works*. I agree that, to the extent any *Work* is held not to be a work made for hire, I hereby irrevocably assign all *Intellectual Property Rights* in the *Work* to the Employer. Notwithstanding anything contained in Section 19(4) of the Indian Copyright Act, 1957, I agree that such assignment shall continue to be in force for perpetuity irrespective of whether or not the Employer exercises its rights as the assignee for any period of time.

c. I will at all times, even after termination of my *Employment*, do whatever the Employer reasonably requests of me, at the Employer's expense, to document the assignment of any *Works* to the Employer or to assist the Employer in pursuing, renewing, extending or assigning any *Intellectual Property Rights*, and otherwise perfecting, protecting and enforcing said *Intellectual Property Rights* in, any *Works*. I agree that, as between me and the Employer, the Employer shall be the sole author, inventor, and owner of all such *Works* and *Intellectual Property Rights* therein throughout the world, and that the Employer shall have the sole right to seek copyright registrations, patents or trademark registrations, including all extensions and renewals thereof. I also hereby agree that I waive all moral rights in any *Works*.

I also agree to assign all my right, title and interest in and to any particular *Works* to a third party as directed by the Employer.

In the event the Employer is unable for any reason, after reasonable effort, to secure my signature on any document needed in connection with the actions specified in the preceding paragraphs, I hereby irrevocably designate and appoint the Employer and its duly authorized officers and agents as my agent and attorney in fact, which appointment is coupled with an interest, to act for and in my behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of the preceding paragraphs with the same legal force and effect as if executed by me. I hereby waive any and all claims, of any nature whatsoever, which I now or may hereafter have for infringement of any *Works* assigned hereunder to the Employer.

d. During a 12 month period after termination of my *Employment*, I agree that any *Intellectual Property* I create or conceive that results from and is related to any work assigned to or performed by me for the Employer, or that was created using *Deloitte Property*, is a *Work* that is subject to Paragraph 10(b) above. For purposes of clarification, the foregoing provision is in addition to, and not in limitation of, any rights and remedies the Employer may have under the applicable laws protecting *Intellectual Property* of the *Deloitte Entities*.

e. I agree to keep and maintain adequate and current records (in the form of notes, sketches, drawings and in any other form that may be required by the Employer) of all *Works* developed by me during the

period of my employment with the Employer, which records shall be available to and remain the sole property of the Employer at all times.

11. **Pre-existing Creations; Personal Creations.** My obligations in Paragraph 10 do not apply to *Pre-existing Creations* and *Personal Creations*. I warrant and agree that I have listed on **Exhibit B** all *Pre-existing Creations*. I acknowledge and agree that I will not assert any ownership rights against the *Deloitte Entities*, or their respective clients, with respect to any *Pre-existing Creations* unless they appear on **Exhibit B**, and **Exhibit B** has been accepted and agreed to by an *Authorized Signatory* who has signed at the bottom of such **Exhibit B**. I further agree that I shall not use any *Pre-existing Creations* or *Personal Creations* in connection with my *Employment* without the prior written consent of an *Authorized Signatory*. To the extent that I use any *Pre-existing Creations* or *Personal Creations* in connection with my *Employment*, I agree that, except as otherwise provided in a written agreement executed by me and the Employer, I hereby grant to the Employer an irrevocable, royalty free, perpetual, fully paid up, transferable, sub-licensable license to use, reproduce, distribute, display, perform, modify and create derivative works of and otherwise exploit such *Pre-existing Creations* or *Personal Creations* for any purpose including, but not limited to, client engagements.
12. **Post-Employment Restriction re: Clients.** I acknowledge that, because of the nature of my work for a *Deloitte Entity*, my solicitation or serving of certain clients related to my work for a *Deloitte Entity* would necessarily involve the unauthorized use or disclosure of *Confidential Information*, and the proprietary relationships and goodwill of the *Deloitte Entities*, and, in the case of my serving of certain clients, could compromise the full compliance of the Employer or another *Deloitte Entity* with the applicable laws, rules and regulations of a U.S. or India regulatory body or other independence-related requirement of a regulatory body. Accordingly, for a period of one year following the termination of my *Employment* for any reason, I will not, directly or indirectly, solicit or provide services to any client or prospective client of a *Deloitte Entity* to which I provided (or participated in a proposal to provide) services during the two-year period prior to termination of my *Employment*.
13. **Exceptions to Post-Employment Restriction re: Clients.** I understand that the obligations of Paragraph 12 will not apply for a period of three (3) years after my start date or the date of my promotion or transfer to clients of a *Deloitte Entity* and/or certain specified kinds of services rendered to such clients that meet all of the following criteria: (a) are personal clients of mine who came to a *Deloitte Entity* solely to avail themselves of certain specified kinds of services rendered by me and only as a result of my own independent recruitment efforts, which a *Deloitte Entity* neither subsidized nor otherwise financially supported as part of a program of client development, (b) are listed on **Exhibit D** expressly by name with respect to client and with sufficient specificity with respect to the kinds of service(s) that I will be permitted to render, and (c) are accepted and agreed to as to their listing on **Exhibit D** by an *Authorized Signatory* who has signed at the bottom of such Exhibit. I agree that after a period of three (3) years from my start date or the date of my promotion or transfer the Employer will have invested sufficient time, financial support and effort in developing and serving the clients listed on **Exhibit D** to support the application of the obligations of Paragraph 12 to those clients.
14. **Future Employment with Clients.** Except as otherwise provided herein, I understand that I am not prohibited from accepting employment with a client (or an affiliate of such client) of a *Deloitte Entity*. Before entering into substantive discussions with an *Attest Client* regarding any employment opportunity, I acknowledge and agree that during my *Employment* and for five years thereafter I must first notify *Independence* and obtain prior written approval from *Independence*. I acknowledge and understand that it is the intent of the Employer to interpret and apply this provision (a) in an effort to ensure the full compliance of the *Deloitte Entities* with applicable U.S. and India laws, rules, and regulations; (b) to serve the public interest; and (c) to protect the legitimate interests of the *Deloitte Entities* or their respective *Attest Clients* under applicable U.S. or India laws, rules and regulations in a manner that is no greater than is reasonably necessary to protect such interests and without being unduly harsh and oppressive to me and my interests in future employment with an *Attest Client*. Further, I acknowledge and agree that because of, among other things, the importance of the *Deloitte Entities*

remaining in compliance with applicable independence rules, such approval may be withheld by *Independence* in the event that my employment with an *Attest Client* would, in the view of Deloitte LLP, be inconsistent with applicable laws, rules and regulations or jeopardize the independence of a *Deloitte Entity* with respect to such *Attest Client*.

15. **Restriction re: *Personnel* and Contractors.** I acknowledge that, because of the nature of my work for a *Deloitte Entity*, my solicitation or hiring of any of its *Personnel* or contractors of the *Deloitte Entities*, or my participation in their hiring, admission or retention would necessarily involve the unauthorized use or disclosure of *Confidential Information* or the proprietary relationships and goodwill of the *Deloitte Entities*. Accordingly, during my *Employment* and for one year thereafter, I will not, directly or indirectly, (a) solicit or attempt to solicit, or participate in the solicitation of or any attempt to solicit any *Personnel* to leave a *Deloitte Entity*, or to join any firm or business with which I may be or become affiliated, (b) participate in the hiring or admission of any *Personnel*, or (c) cause a contractor of a *Deloitte Entity* to cease providing services to, with, or on behalf of the *Deloitte Entity*.
16. **Post-Employment Restrictions re: *Deloitte Property*.** Upon termination of my *Employment*: (a) I will not use or disclose *Deloitte Property*, including, but not limited to, *Confidential Information* and *Works*, for any purpose; (b) I will not retain or take with me any *Deloitte Property*; (c) I will immediately deliver to a *Deloitte Entity* at any location that it designates, at my expense, within one business day after the termination of my *Employment* or on an alternate date designated by a *Deloitte Entity*, any *Deloitte Property* that I may then or thereafter hold or control; and (d) I agree to allow a *Deloitte Entity* to inspect any of my personal or home computers, including smart phones, tablet computers, or any device, media or location capable of storing electronic data, to determine whether any *Deloitte Property* resides on such computers and to permit a *Deloitte Entity* to remove such *Deloitte Property*.

OTHER POST-EMPLOYMENT OBLIGATIONS

17. **Transition of Work and Cooperation.** Upon termination of my *Employment* for any reason, I will cooperate with a *Deloitte Entity* in all matters relating to the completion of pending work and its orderly transfer. I will also cooperate fully with a *Deloitte Entity* in connection with any threat of or actual legal proceeding against a *Deloitte Entity* or any client, customer or licensor of a *Deloitte Entity* arising out of any matter with or of which I had contact or knowledge during my *Employment*.
18. **Notification of Post-Employment Obligations.** I agree that prior to accepting employment or affiliation with another firm or business I will advise such firm or business of my duties and obligations under this Employment Agreement. After my *Employment* ends, I agree that a *Deloitte Entity* shall be permitted to advise any firm or business with which I have accepted an offer of employment or affiliation concerning my duties and obligations under this Employment Agreement.
19. **Certification.** I agree that during or after my *Employment* I will, if requested, provide written certification in such form as the Employer may require that I have complied with my obligations hereunder, including, without limitation, those obligations set forth in Paragraphs 4, 5, 7, 8, 10, 11, 12, 14, 15 and 16 of this Employment Agreement.

OUR ENFORCEMENT RIGHTS AND REMEDIES IN THE EVENT OF A BREACH

20. **Equitable Relief and Attorney's Fees.** I acknowledge and agree that a breach of this Employment Agreement, including, but not limited to, a breach of my duties and obligations under the terms and conditions of Paragraphs 4, 5, 7, 8, 10, 11, 12, 14, 15, or 16 would cause irreparable harm to the *Deloitte Entities* and that, in addition to other remedies, the Employer on behalf of itself or another *Deloitte*

Entity is entitled to a temporary restraining order, an injunction or other equitable relief to prevent any such breach. I also acknowledge that, to the extent permitted by law, a *Deloitte Entity* will be entitled to the payment of the *Deloitte Entities'* reasonable costs and attorney's fees incurred in enforcing this Employment Agreement. I also acknowledge that, to the extent permitted by law, the Employer may request that a court extend the one year period following the termination of my *Employment*, as provided in Paragraphs 12 and 15, to correspond with the period that I participated in activities prohibited by Paragraphs 12 and 15.

21. **Liquidated Damages: Client Fees.** I agree that in the event of a breach under Paragraph 12, the Employer shall be entitled to receive, as liquidated damages, payment from me of an amount equal to 50% of all fees received by me (or any person or entity with which I am associated) in connection with such breach. Such percentage shall be paid within thirty days after each fee payment is received and in respect of all services in connection with such breach during the two years following the termination of my *Employment* for any reason.
22. **Liquidated Damages: Compensation.** I agree that in the event of a breach under Paragraph 15, the Employer shall be entitled to receive, as liquidated damages, payment from me of an amount equal to the annual compensation, inclusive of overtime, bonuses, and sales incentives, received by any person who leaves the Employer in connection with my breach over his or her last twelve months at the Employer. Such amount shall be paid within thirty days from the mailing of a written notice to me advising of the amount due.
23. **Right of Inspection.** I agree to permit the Employer (or to use my best efforts to enable the Employer) to inspect my books and records (and the books and records of any entity which employs or is associated or affiliated with me), upon request and at reasonable times, to enable the Employer to confirm the calculations described above and to verify compliance with Paragraphs 12 and 15. The Employer shall keep confidential any proprietary information obtained, except as may be necessary or desirable to enable the Employer to enforce its rights under this Employment Agreement and except as may be required by any statute, court or administrative order to decree or government ruling or regulation.

27. **Blue-Penciling.** If any court determines that any provision of this Employment Agreement, or any part hereof, or the application of any such provision, or any part hereof, to any person or circumstance is unenforceable or void, such court shall have the power to modify such provision, or any part hereof, to the extent necessary to render it legal and enforceable while preserving its intent, or if such modification is not possible, by substituting therefor another provision that is legal and enforceable and that achieves the same objective.
28. **Waiver.** None of my obligations under this Employment Agreement shall be deemed to have been waived by the Employer except if the giving of such waiver is contained in a written notice given to me and no such waiver shall be deemed to be a waiver of any other or further obligation I have under this Employment Agreement.

Any purported assignments in violation of this Paragraph 30 shall be null and void.

Terms and Conditions of Service

In continuation to our offer of employment with **Deloitte Consulting India Private Limited** (the "Employer"), please note the terms and conditions of service.

The italicized terms in these Terms and Conditions of Service are defined in **Exhibit A** of the Non-Disclosure, Non-Solicit and Intellectual Property Rights Assignment Agreement hereto.

Terms of Service

1. COMPLIANCE WITH INDEPENDENCE, ETHICS AND OTHER REQUIREMENTS

Deloitte & Touche LLP performs attest services for certain of its clients and is subject to the independence requirements of, among others, the United States Securities and Exchange Commission (SEC), the United States Public Company Accounting Oversight Board (PCAOB), and the American Institute of Certified Public Accountants (AICPA). These requirements mandate that certain of the Employer's employees and their relatives be independent of some or all of such attest clients and their affiliates in accordance with the policies of Deloitte LLP and its subsidiaries (the "Deloitte US Entities").

Upon joining the Employer, you will be asked to review a listing of the attest clients and the affiliates of such clients of certain of the Deloitte US Entities and disclose relationships or financial holdings that you or your relatives may have that could affect the independence of the Deloitte US Entities. Any relationships or holdings that conflict with, among other things, the requirements of the SEC, the PCAOB or the AICPA or the independence or ethics policies of the Deloitte US Entities will need to be resolved immediately. Further, you will be required to comply with these policies throughout your career with the Employer, including, when applicable, maintaining a current list of certain of your financial interests (but not their value) in the independence tracking system.

As a condition to your joining the Employer and continued employment, you are required to complete a representation regarding your understanding of, and compliance with, independence and other matters, on a periodical basis (as requested beginning on or prior to the date of you joining the Employer, annually thereafter, and upon certain changes in your role in the Employer), the details of which are provided in the independence representation. An example copy of this representation form is available for your reference on www.deloittenet.com. The representation should be made to the best of your knowledge and ability. It is your responsibility to consult on any matter should you be uncertain or have a question. You are also requested to refer to www.deloittenet.com and *Independence* for more information in this respect. The representations made by you will be subject to an audit and may be reviewed by Deloitte LLP representatives and shared with certain third parties. If you are selected for such an audit, you will need to submit certain personal financial records to Deloitte LLP's internal audit team. Please be assured that Deloitte LLP fully intends to keep all information obtained through the audit process confidential and secure. You hereby give your consent to Deloitte LLP to use the information provided by you for such purposes as provided in the policies regarding independence and ethics.

In the event you (i) do not cooperate or comply with the independence requirements, or (ii) do not complete the necessary representations, or (iii) make inaccurate representation(s); you may be subject to disciplinary action including and up to termination of employment with the Employer.

Please feel free to contact or consult *Independence* should you require any further information or if you have any specific concerns in this respect.

2. NON DISCLOSURE, NON SOLICIT AND INTELLECTUAL PROPERTY RIGHTS ASSIGNMENT AGREEMENT ("Employment Agreement")

You will be expected to sign the Employer's Employment Agreement. Please contact Talent for further details.

3. HARRASSMENT POLICY

Administrative Policy Release ("APR") 213 is the Employer's policy prohibiting harassment. Deloitte LLP's subsidiaries located in India ("Deloitte India (Offices of the US)") are committed to providing a working environment that is free from harassment based on caste, place of birth, race, religion, creed, color, citizenship, national origin, age, sex, gender, sexual orientation, marital status, disability, genetic information or any legally protected basis, in accordance with applicable Indian central, state or local law. Expressly forbidden are unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature. Depending on the circumstances, such harassment may also include conduct such as stereotyped or demeaning remarks or gestures or the display or circulation, whether in writing or electronically, of materials or pictures offensive to persons because of their caste, place of birth, race, religion, creed, color, citizenship, national origin, age, sex, gender, sexual orientation, marital status, disability, genetic information or any legally protected basis in accordance with applicable Indian central, state or local law. The full policy will be accessible to you on DeloitteNet after joining *Deloitte U.S. India*.

4. WORKING HOURS, HOLIDAYS, LEAVES AND MATERNITY BENEFITS

You will be provided with your standard working hours, which may vary over the course of your career. The Employer may, from time to time, subject to applicable laws, require the employee to work beyond these hours.

You shall be entitled to paid holidays and leave as per the Employer's policies.

Women employees are eligible for maternity benefits as per the recent amendments (2017) in the maternity benefit act, 1961, including having 26 weeks of maternity leave with pay, as applicable.

5. RETIREMENT AGE

The age of retirement for employees of Deloitte India (Offices of the US) is 60 years.* Your employment will therefore automatically terminate at the end of the month in which you attain 60 years.

6. TRANSFERS

You may be transferred, assigned, or asked to attend training at the offices of a *Deloitte Entity* or its clients or third parties in India or abroad with or without additional compensation. In such an event, you will also be governed by the terms and conditions of service applicable to the transfer, assignment, or training.

7. NOTICE PERIOD FOR TERMINATION OF SERVICES

The notice period for termination of your services is **60 Days** by either side and/or salary in lieu of notice period on part of the Employer only.

The Employer expects all employees to maintain the highest standards of professional conduct at all times.

* This provision is not applicable for U.S. citizens (and citizens of any other country where enforcing Deloitte India (Offices of the US)'s mandatory retirement age would be prohibited by the laws of that country) for whom there is no mandatory retirement age.

In order to assure orderly operations and provide the best possible work environment, the Employer expects you to follow rules of conduct that will protect the interests and safety of all personnel, including but not limited to the Code of Ethics and Professional Conduct.

In the event of any breach of the Code of Ethics and Professional Conduct, non-performance of a contractual obligation or the terms and conditions laid down in this Annexure, or if you engage in any misconduct whether or not in connection with or affecting the business or affairs of the Employer or the work conduct, as specified by Employer, you will be subject to disciplinary action up to and including termination of your services/employment with the Employer without any notice or payment in lieu of notice notwithstanding any other terms and conditions stipulated herein.

Your acceptance to these terms shall confirm your consent to the Company making payment of your salary, compensation, award, incentive/ bonus etc. by way of credit to bank account with the bank of Company's choice or via such other mode as the Company may deem appropriate.

6. Discretionary incentive award

- 6.1 You may be eligible to be considered for a discretionary incentive award on an annual basis. The value, form, conditions of delivery and timing of any such awards are at the Company's discretion. This discretion includes the right to make the award or a proportion of the award in a form other than cash, including an award of Shares and to defer an element of an award under the terms of a Barclays Group incentive plan.
- 6.2 Any discretionary incentive award will only be made if, at that time, you are in employment and are not under notice (whether given or received) nor under suspension or investigation for a regulatory or disciplinary matter.
- 6.3 If you are subject to any investigation or disciplinary process at the time when communication, payment or making of any payment and/or award would otherwise occur, then the delivery of that payment and/or award will be suspended. If on conclusion of any investigation and/or disciplinary process, you are dismissed for gross misconduct or cause and / or have committed any serious breach of the Risk and / or Compliance requirements of the Barclays Group, then no payment and / or award will be made to you. If no disciplinary action (or disciplinary action short of dismissal) is taken against you, then a payment and / or award may be made to you after the conclusion of that process. However, the amount of any award and / or payment to which you are entitled may be reduced by the Company in its sole discretion. For the avoidance of doubt, any award and / or payment may be reduced to nil in such circumstances.
- 6.4 Notwithstanding paragraph 6.3, any unpaid or unvested award (or portion of an unpaid or unvested award) may be reduced (to nil if appropriate) at the Company's discretion and to the extent permitted by applicable laws. For the avoidance of doubt, the Company may exercise its discretion including as a result of:
- (a) Barclays PLC or any subsidiary's financial statements having been materially restated for the period for which the award was made other than restatement due to a change in accounting policy or to rectify a minor error; or
 - (b) Your actions having, in the reasonable opinion of the Remuneration Committee, following consultation with the Company:
 - i. deliberately misled the management of the Company, the market and/or Barclays PLC shareholders regarding the financial performance of Barclays PLC or of any subsidiary;
 - ii. caused harm to the reputation of the Barclays Group;
 - iii. amounted to misconduct; negligence, incompetence or poor performance ("misconduct", "negligence", "incompetence", and "poor performance" as determined by the Remuneration Committee acting in good faith, following consultation with the Company); or
 - (c) The Barclays Group or any of its subsidiaries, in the reasonable opinion of the Remuneration Committee, following consultation with the Risk Committee, has suffered a material failure of risk management.

- 6.5 Should the Company become aware that the amount of any award that has been paid or released to you was calculated on the basis of any false, incorrect or misstated information, then, the Company may, within one year of any such payment or release being made, request that you will repay as a debt to the Company the amount (or any part of the amount) as may be determined in the Company's sole discretion and to the extent permitted by applicable laws. You confirm that in the event a repayment obligation arises the Company is authorised to deduct the appropriate amount from your salary or any other amounts due to you (including in instalments) as it determines in its discretion and to the extent permitted by applicable laws.
- 6.6 A payment of cash and / or a release of Shares or other instruments under an award will be subject to tax and other applicable withholdings, taxes, duties, cesses, deductions and will be subject to the rules of any applicable incentive plan.
- 6.7 Whether you are eligible to receive a discretionary incentive award, and if so, the amount shall be determined at the absolute discretion of the Company. You have no contractual right, whether express or implied, to receive an award at all, or an award of any particular amount, and the making of an award in any year does not give rise to any obligation on the Company to make an award in any future year. For the avoidance of doubt, your employment may be terminated by the Company at any time, for any reason, in accordance with clauses 18 or 19 of this Agreement and the exercise of that right to terminate is not limited or fettered by any contractual term (express or implied).
- 6.8 Within Barclays, certain (usually senior) roles are designated as 'Material Risk Taker' ("MRT") roles. Where you are a MRT for any particular year you will be notified of this during or following the end of the relevant year. At any time during the seven year period from the date on which any variable remuneration is awarded to you in respect of a period for which you are a MRT (the "Relevant Variable Remuneration"), if Barclays determines that:

- (a) your actions or omissions have, in the reasonable opinion of Barclays amounted to misbehaviour or material error; and /or
- (b) Barclays or the relevant business unit has suffered a material failure of risk management, then, without prejudice to Barclays other remedies, Barclays may require that you repay an amount, not exceeding the value of the Relevant Variable Remuneration. The repayment shall be of such value as may be determined in Barclays discretion acting in good faith, to such Barclays Group Company and on such terms as Barclays may direct.

In respect of paragraph 6.8 (b) above, Barclays shall take into account your proximity to the applicable failure and your level of responsibility before any request for repayment is made. In respect of paragraphs (a) and (b) above, before any request for repayment is made, Barclays shall take into consideration whether you (i) have participated in, or were responsible for, conduct which resulted in significant losses to the Barclays Group or (ii) failed to meet appropriate standards of fitness and propriety.

For the avoidance of doubt, the whole or any part of the Relevant Variable Remuneration can be clawed back if Barclays makes its determination within seven years from the date that the Relevant Variable Remuneration was awarded to you even if an event falling within (a) or (b) above occurred prior to the date of award.

The determination of what constitutes "misbehaviour", "material error", "material failure of risk management", "significant losses" and "appropriate standards of fitness and propriety" shall be determined by Barclays acting in good faith.

You agree that in the event Barclays makes a repayment determination, you shall repay the amount subject to that determination within the time period specified in the determination. You further agree and provide authorisation for Barclays to deduct the appropriate repayment amount from your salary or any other amounts due to you, to the full extent permitted under local law, whether from Barclays or any other Barclays Group company.

You acknowledge that (in addition to its rights at clause 16 (Amendments to terms and conditions of employment)) the terms of this clause 6.8 may be amended by Barclays to the extent deemed reasonably necessary in order to comply with law, regulations or guidance published by any regulatory authority or other relevant authority from time to time.

This clause shall apply in addition to the general right of repayment set out in clause 6.5 of the Agreement.
