Dear Sir/Madam,

It is a great pleasure to announce that School of Computer Engineering & Technology is organizing a one day **hands on workshop "Creative Blog Writing Techniques"** on **13 February 2020** at Project Lab, School of Computer Engineering & Technology.

Registration for the workshop is free of cost.

**Content of Workshop is attached herewith.**

Google form for enrolling to this workshop is as given below. Participation is **limited to the first 35 enrolled faculty members only** and enrollment will be made on the basis of first come first served basis. Hurry up for making registration and confirm your participation.

1. **Date & Time:** 13 Feb 2020, 9.00 am to 4.40 pm
2. **Venue:** Project Lab, School of Computer Engineering & Technology

## Faculty Development Program (FDP) Report

1. Name of the Event : Creative Blog Writing Techniques
2. Date and Place: 13 Feb 2020, Venue: Project Lab.
3. Level of the event: Institute Level
4. Name of the organizer: Dr. Rajeshwari. M. Goudar
5. Organized for : Faculty and Staff members of MITAOE
6. Number of the participants: 35
7. Resource person: Praveen Hanchinal, Edupreneur
8. Purpose/Achievement:  
Blog writing is one of the important way by which faculty, staff and students can use to achieve academic as well as career goals. It is having significance in education which connects faculty, staff and students. Faculty and staff can write importance of class topics and articles who can share them with the students on the blog.

### 1. Introduction to 3D Experience (DAY-1)

- Introduction to 3DExperience
- 3DExperience Values
- Choosing a Security Context and Roles
- Connect to 3DExperience PLM Database
- **Hands on session**

### 2. . Sketcher (DAY-2)

- Introduction to Sketcher Workbench
- Creation of sketched Geometry
- Sketch Support and Reference planes
- Recommendations for reference elements
- Sketching profiles using positioned sketch
- Geometry creation using predefined and user defined profiles
- Sketcher re limitations and operation tools
- Constraints Creation Tools
- Recommendations on sketch creation and constraining
- Propagate and local save of Documents
- **Hands on session**

### 3. Part Design (DAY-2)

- Introduction to Part Design Workbench
- Creating a Base Feature
- Creating Pads and Pockets
- Creating Holes
- Creating Fillets and Chamfers
- Multi-profile Pads and Sketches
- Reference Elements
- Revolved Features
- Shelling
- Thin Features
- Apply a Draft
- Create a Stiffener
- Create Advanced Sketch-Based Features
- Multi-Sections Solid
- Creation of Rib and Slot

- Create Threads and Taps
- Duplicate Features
- Transform a Body
- Copy and Paste Data
- Insert Data from a Catalog
- Scanning a Part
- Applying Material Properties
- **Hands on session**

#### **4. Assembly Design (DAY-3)**

- Introduction to Assembly Design Workbench
- Defining Product and assigning properties
- Inserting existing parts and products
- Copy and paste components
- Positioning Components
- Defining Engineering Connections
- Creation of Annotations
- **Hands on session**

#### **5. Drafting (DAY-3)**

- Introduction to Drafting Workbench
- Creation of Drawing representation
- Inserting of Title Block
- Creating and modifying views

Boucher Faculty Development Program- 2 Weeks FDP on “Training on 3D Experience CATIA”

Resource Person- Mr. Sheejith (Sr. Application Engineer), CSM Software Bangalore.

Organized By- Prof. Amit B Belvekar

Date: 1<sup>st</sup> July to 5<sup>th</sup> July 2019.

Target Audience- Faculties of School of Mechanical and Civil Engineering

CSM Software Bangalore has conducted the training program on “Altair- Hyperworks software” for faculties of School of Mechanical and Civil Engineering.

3D Experience CATIA software is included in curriculum of TYBtech. Practical based on CATIA are included in courses like Geometric Modelling and Design, Prototype, Skills. Hence the training for faculties on mentioned software was very much essential. The training was conducted on 1<sup>st</sup> July to 5<sup>th</sup> July 2019.

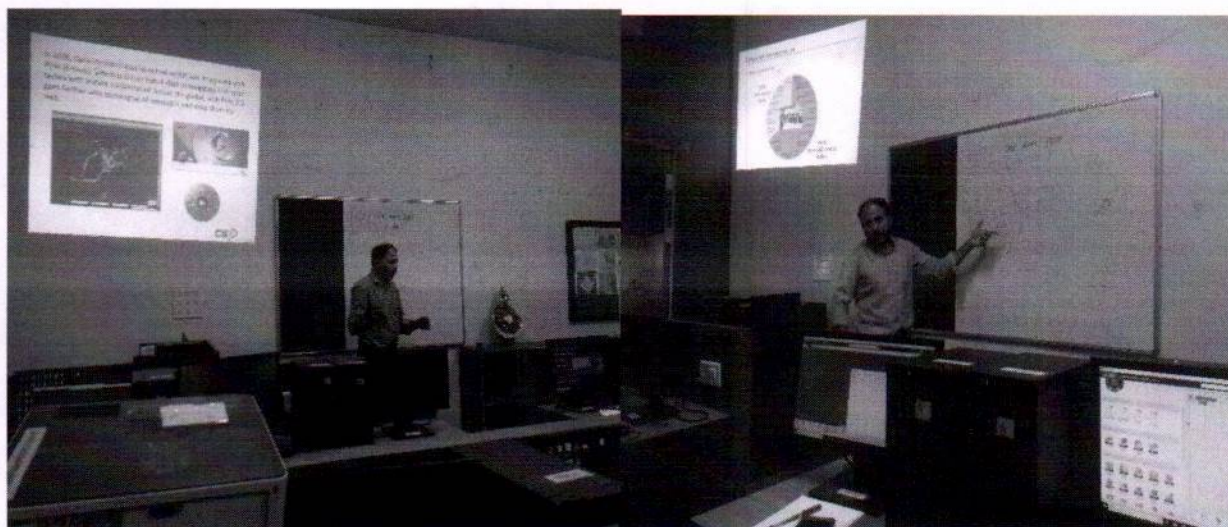

FDP was inaugurated by Prof. Prafulla Hatte, Dean SMCE on 1<sup>st</sup> July 2019.

Following was the Agenda of the training.
