## KNOW YOUR PAST PRESIDENT- RTN. PP PRAMOD S. KULKARNI

Inducted to Rotary family in year 1990 as Charter member of Rotary club of Chinchwad. Inducted in Rotary by Past President of Nigdi club Rtn. PP Chandrakant Doshi. Motivated to join Rotary family by my brother Rtn. PP Anil Kulkarni. President of Rotary Club in year 2011-2012 Under leadership of Rtn.PDG Mohan Palesha.

During my 34 years of long association with Rotary family, I found **lot of good changes followed by excellent growth today at Elite, few of them are:**

- Rotary being most dynamic and flexy ie ready to change (Not rigid), I noticed lot of important good changes with respect to number of Avenues we have in 1990 and today.
- Mission & Vision statement were just stated without action, so it was only dreams to us 30 years before.
- Number clubs in 2011 were 100, now it is 142 showing increase in number of Rotary members.
- Involvement of Ladies as Rotary members and also as Ann is increased to great extent.
- Excellent improvement in communication using Apps by us of latest technology.
- Contribution towards TRF is increased to great extent & **Now team is working and not an individual**

Apart from social work Rotary proved to be an excellent platform for Rotarian and his family. I enjoyed lot and also learn a lot from my Rotary friends.

*I like Rotary, I love Rotary and enjoy Rotary with a focus on humanity.*
