

INTERNATIONAL CONFERENCE ON EMERGING TRENDS IN MICRO- ELECTRONICS, COMMUNICATION AND INTELLIGENT SYSTEMS JUNE 13-15, 2024

This conference is organized to bring together people from various fields to share their ideas, views, and thoughts in the field of microelectronics, VLSI, communication and intelligent systems. The **ETMCIS 2024** is an international conference going to be held in hybrid mode at the School of E&TC Engineering (Department of Electronics Engineering and Department of E&TC Engineering) MIT Academy of Engineering, Alandi (D), Pune, on June 13 - 15, 2024. The aim is to provide a platform for technologists, researchers and industry leaders across the globe to share their ideas on emerging technologies and newer solutions that can guide and lead towards a better tomorrow.

MIT Academy of Engineering (MITAOE), Alandi, Pune, was established in 1999 under MAEER. The institute offers Seven UG programs (B.Tech & B.Des) and two PG programs (M.Tech). The UGC has honored the institute with '**Academic Autonomy**' considering the quality of pedagogical practices, research, faculty and the state-of-the-art infrastructure that meets global standards. The Savitribai Phule Pune University (SPPU) has honored the institute with the 'Best Engineering College (Professional Courses) award. The **NBA** Accreditation to all branches, ISO 9001:2015 certified, '**A**' Grade by **NAAC** and the 2(F) & 12(B) status from the UGC, are the testimony to our pursuit of excellence.
