

**Criterion 1 - Curricular Aspects****1.2.2: Percentage of Programmes in which Choice Based Credit System (CBCS) / elective course system has been implemented (Data for the latest completed academic year).**

In MIT AOE, in last five years two different curriculum structure are followed, 2016 -20 pattern and 2019-23 pattern. The **Choice Based Credit System (CBCS) is followed in campus by offering the various courses to the students in the form of Open electives and department electives. Following is the list of courses offered by the different department under the category of Choice Based Credit System (CBCS).**
