1	Reading Hall Users	19220
2	Reference Book Issued	06
3	Book Issue-Return (Circulation Section)	16151
4	Digital Library & Web OPAC users	2014
5	IEEE & Science Direct Users	3938
	Total	41329

Library users details :- March 2022 to June 2022

Total usage of last year :- 41329

Library Working days :- 112

Per day = $\frac{41329}{112}$:- 369.00

Formula=

$\frac{\text{Number of teachers and Students using Library per day}}{\text{Total number of teachers and Students}} \times 100$

Per day = $\frac{369.00}{3175} \times 100 = \frac{36900}{3175} = 11.6\%$

Total Item Investigations - The total number of times a content item or information related to a content item was accessed.

Total Item Requests - The total number of times the full text of a content item was downloaded or viewed.

Article Request (Non-COUNTER) - The number of documents requested from the server.

Page Views - The number of pages viewed on a web site.

Searches Run - Represents the number of keyword searches performed.

Visits - Represents the number of individual sessions of time visitors were on the site accessing a series of pages without 30 minutes of inactivity. A single visitor can account for multiple visits in a single day.

Total Item Requested - The total number of times a content item or information related to a content item was accessed.

Total Item Requests - The total number of times the full text of a content item was downloaded or viewed.

Article Request (Non-country) - The number of documents requested from the server.

Page Views - The number of pages viewed on a Web site.

Searches Run - Express the number of keyword searches performed.

Visits - Represents the number of individual sessions of users (browsers) on the site accessing a series of pages without 30 minutes of inactivity. A single visit can account for multiple visits in a single day.

The discussion and decisions made during the meeting are as follows:

1. Librarian MITAEO welcomed all members of the Library Committee.
2. Discussed the forecast budget for the year 2023-24. As per the suggestion given by the Director, it has been decided to purchase e-books apart from printed books.
3. After discussion, it has been decided that while preparing the forecast budget, the approximate cost of print book and print journal (national) should be considered as 900/-, 1000/- and 4000/- branch wise respectively.
4. The librarian proposed to implement RFID technology for the library security system, which would also help in providing faster and better IT-enabled service to the users. It is also an example of best practices. The committee members agreed and also recommended a budget of Rs 20 lakhs required for RFID and that should be included in the forecast budget.

5. All the Library Committee members agreed and recommended the forecast budget for books, Journals, e-resources, Institutional membership, equipment, RFID, consumables and staff training. The overall forecast budget recommended by the committee members for the year 2023-24 is Rs. 1,12,88,056 for engineering and Rs.25,00,000 for design.
6. In order to increase user statistics, the librarian proposed the following points:
 - ♦ To celebrate the "Library Week", the librarian discussed about the activities planned and requested the committee members to suggest more activities that could be organized during the library week.
 - ♦ The librarian proposed to establish a "Student Readers Group" with the broad objective of encouraging and motivating students to make the best use of the library and its resources. The librarian also discussed about the various activities that can be conducted under this group.
 - ♦ The librarian requested the committee members to request all the faculty members and technical staff of their respective school to make the best use of the library resources. Give the assignments/projects to the students, instruct them to use only library resources and ask them to give at least 5 references in their assignment/project that they have actually used.

Mr. Aniket Kemkar (SEE)	Ms. Vandana Khandelwal Librarian		
Mr. Sugat Ingale (B.Des)	Mr. Sanjay Dahiwanekar, Librarian		
Mr. Mahesh Marab, Librarian			

The discussion and decisions made during the meeting are as follows:

1. Librarian welcomed all members of the Library Committee and discussed the agenda of the meeting.
2. All the members of the committee are reminded to submit the requirement of print and online library books and journals for the academic year 2022-23 on or before 10th August 2022. The last date for submission of the requisition was 30 April 2022.
3. It has been discussed that the following points should be kept in mind while requisitioning the books:
 - ♦ Books that are not available or have a small number of copies
 - ♦ New edition of existing books
 - ♦ Books which are commonly used in 2-3 branches
 - ♦ Related to project or research
 - ♦ Reference books

4. Further, the members of the committee were requested to prioritize the recommendation of e-books keeping in view of the needs of today.
5. 47 lakhs have been allocated to the Central Library for books, library committee members are requested to contribute 100% to utilize the allocated budget.
6. The librarian briefed about the resources subscribed by the Central Library and requested to all the members of the committee to spread awareness about the same to make optimum utilization of library resources. User statistics for subscribed resources are currently less.
7. Reviewed the following points suggested by the Deputy Director in the last minutes:
 - ♦ To create awareness about the library by the members of the Central Library Committee to their fellow faculties and students.
 - ♦ To keep information about the books and periodicals of the Central Library belonging to their school.
 - ♦ Each faculty member should have complete information of the books and periodicals available in the Central Library on their subject. The members of the library committee should take initiative in this regard.
 - ♦ Purchase books online that are not available with the supplier.

All the members of the committee are requested to implement the above suggestions. It will be reviewed in the next meeting.

8. In order to increase the user's statistics of library resources all the members of the library committee were requested to assign minimum/major project or assignment to the students and ask them to refer books and journals to prepare their project or assignment. Students must be instructed to give reference of referred library resources in their assignment or project. This will help to increase the library user statistics.
9. All the members of the committee are reminded to visit Central Library and scrutinize those books and magazine which are not frequently used or not in use or outdated. Please submit recommendation for weeding out the books on or before 15 August 2022.
10. It has been requested to the members of the committee that library footfalls are a very important parameter in view of the various accreditation committee. We need to increase visits of students and faculty members to the Central Library. The librarian suggested introducing at least half an hour of library time for the students from their free slots and giving them some assignments to access the library collection. The librarian also suggested that the faculty members can prepare for their lectures in the library, this will help us to increase the number of users in the library.
