

MIT Academy of Engineering, Alandi

Student Welfare Scheme

The Earn and Learn scheme which is initiated by SPPU has been launched by the MITAOE College with the aim of helping the students financially and creating a work culture among the students. For that, as per SPPU guidelines 90 % and 10 % funding contribution will be provided by the SPPU and concern institute respectively. A student is getting Rs.50.00 for one hour and can work a maximum of 3 hours per day. Students execute the work assigned to them as per the requirement of the concerned school such as stamping seal, paste book pocket / due date slip / spine label on the book, scanning document etc. Job work is assigned to students such as maintaining In-Out register entry, supervision of Gym equipment, monitoring cleanliness at gym area, marking of ground, monitoring of ground work such as cleaning, watering, repairing etc.
