Analysis of the Questionnaire

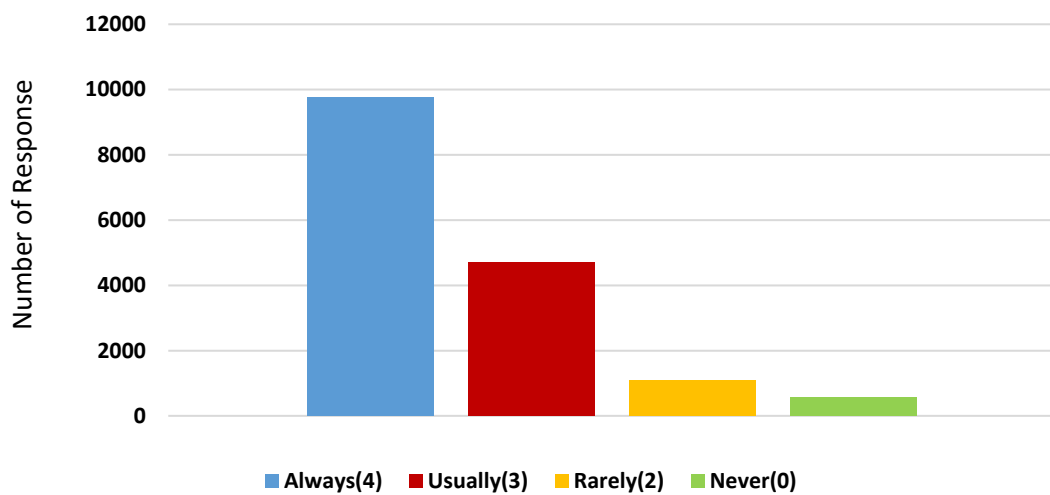

Part A- Grading of each question on scale of 10

Sr No.	Question No	Marks Calculate on scale of 10
1	Q1	8.477
2	Q2	8.586
3	Q3	8.283
4	Q4	8.284
5	Q5	8.497
6	Q6	8.376
7	Q7	8.483
8	Q8	8.978
9	Q9	8.436
10	Q10	8.360

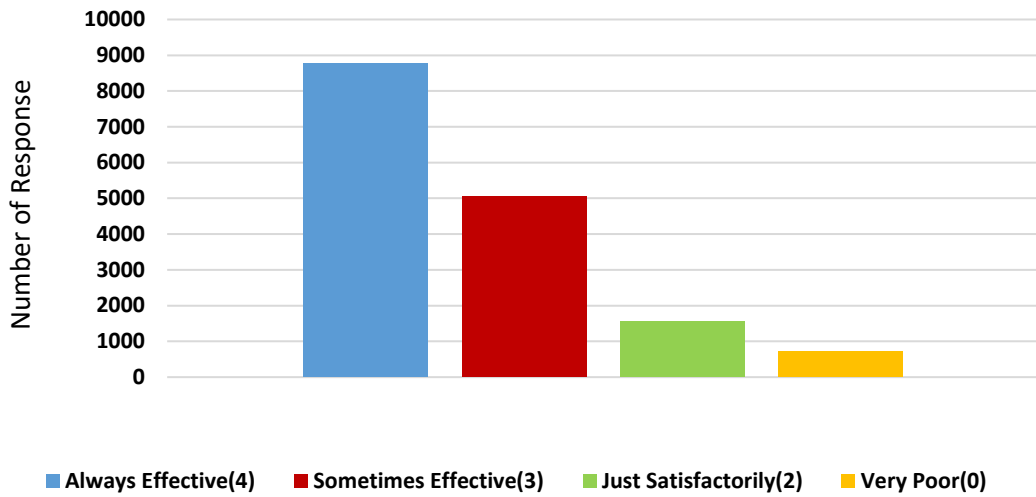

Q1. Completes syllabus as per Course Plan with required depth and details

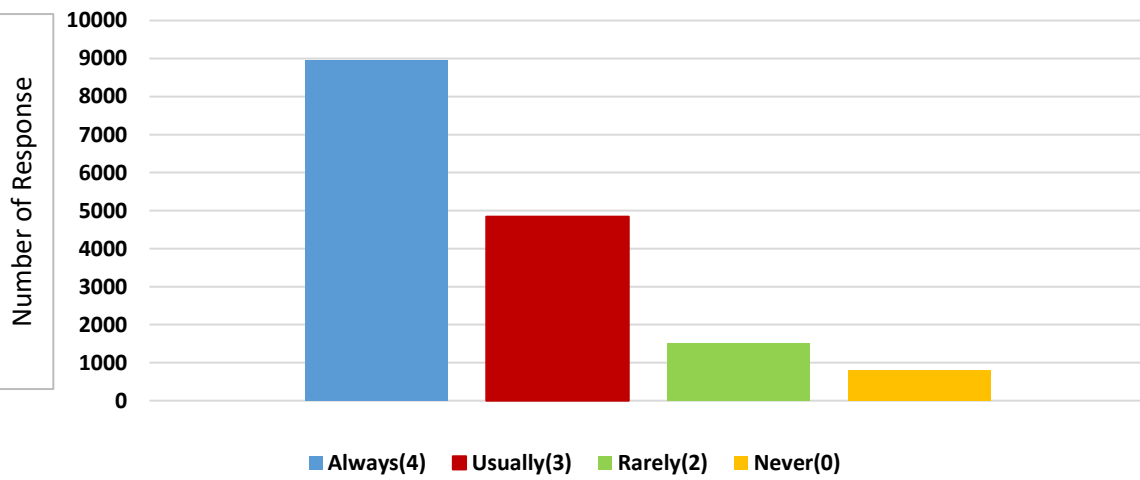

Q2. Continuous and timely internal assessment and evaluation by the teachers

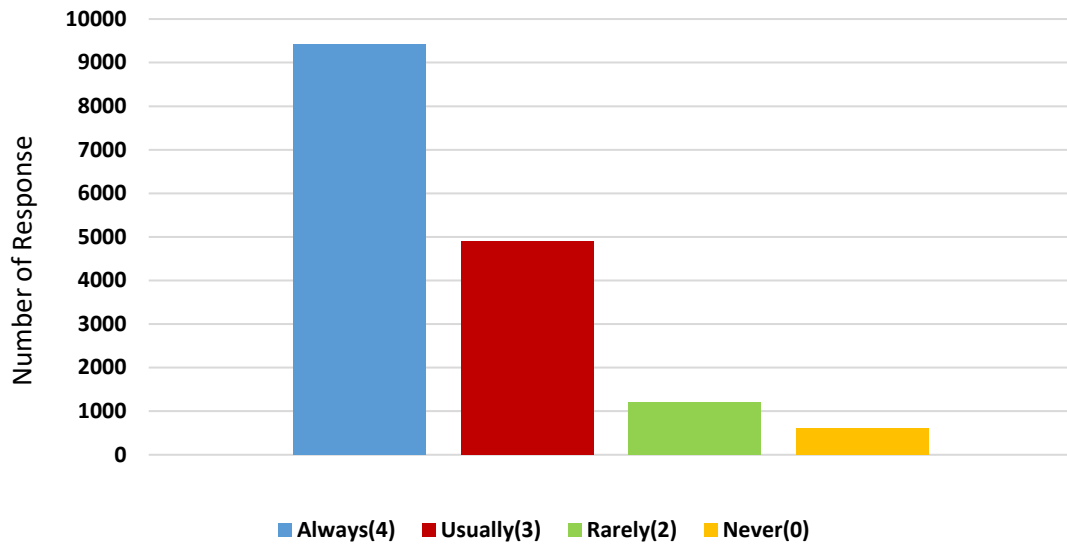

Q3. Interactivity and Communication skill of the teacher

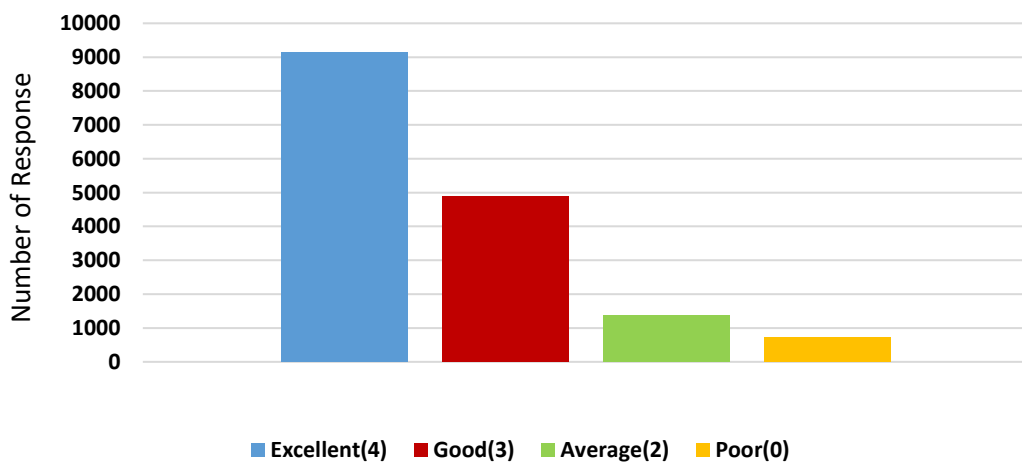

Q4. Refers to the latest development and career opportunities in the subject

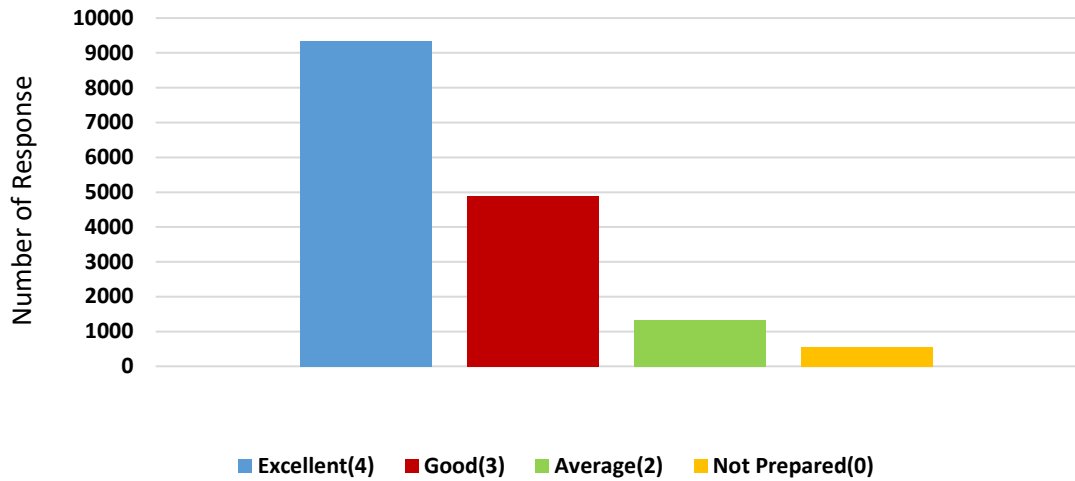

Q5. Teacher is able to explain the concepts clearly and solve doubts

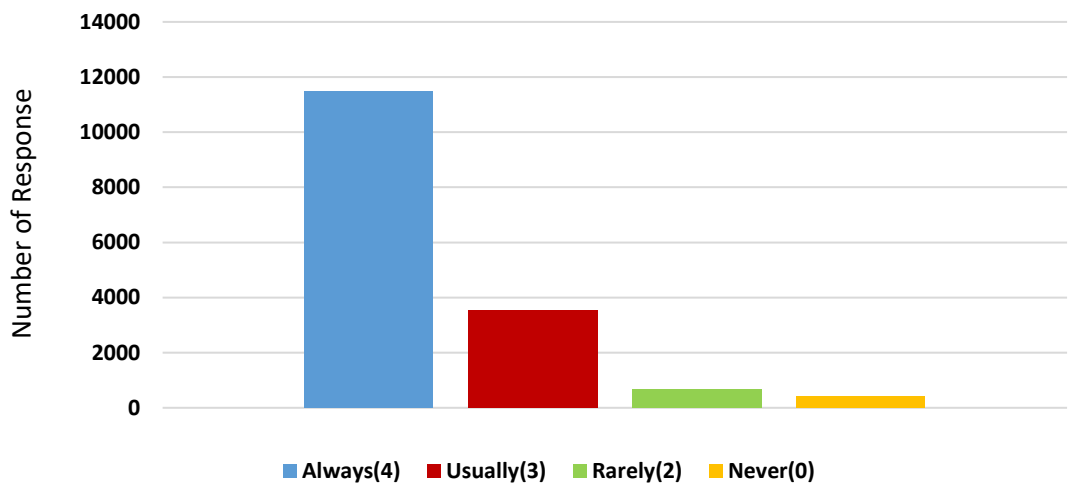

Q6. Teacher's encouragement and involvement for effective student engagement/participation

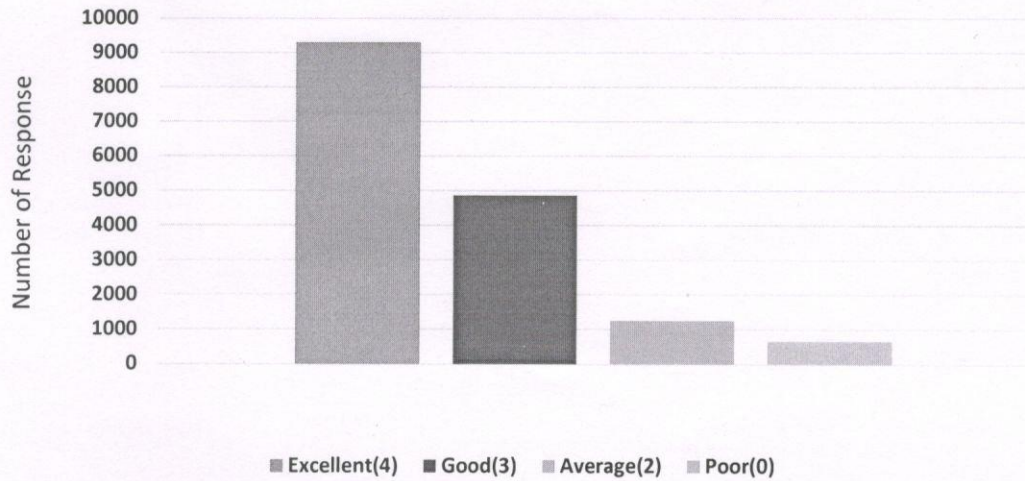

Q7. Teacher's Planning/Preparation for Teaching and enabling effective learning in class or laboratory

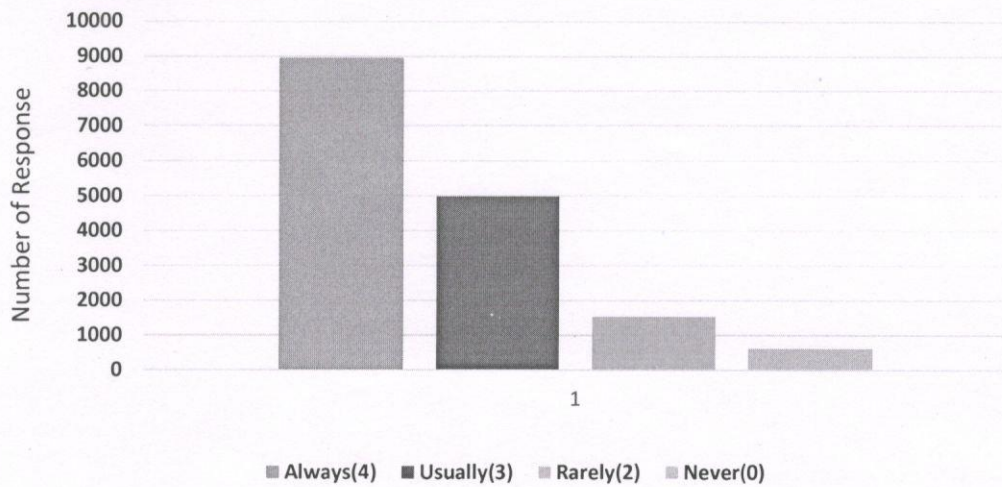

Q8. Teacher's punctuality and regularity in the class or laboratory

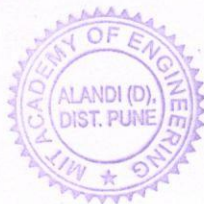

Q9. Teachers inform you about Topic and Course Outcomes and Expected Competence

Q10. The teachers illustrate the concepts through examples and applications

The feedback is conducted Course wise. The Number in Brackets in graphical representation are marks
