As you all know that we are in the process of renewal of NAAC Accreditation. Gender audit is an important part of NAAC accreditation. As per the observation of the Gender Audit Committee, we will have to re-conduct Gender Audit Survey as the present statistics is not sufficient to reach any conclusion.

But before conducting the survey we would like to organize an awareness session on "Gender Sensitization and Equality" The details of the sessions are as follows :

Session 1 – 25th February 2022 at 4.00 pm (for faculty and staff)

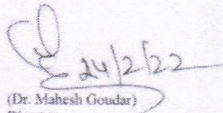

Session 2 - 25th February 2022 at 5.15 pm (for students)

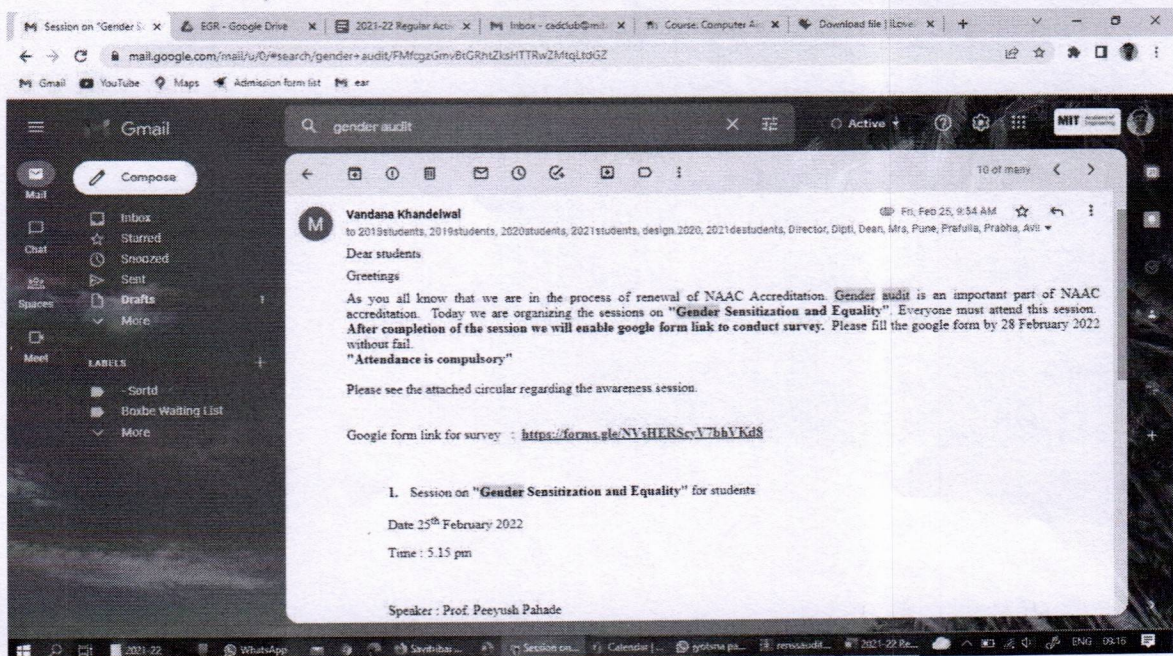

It is a kind request all the School deans and Section heads to instruct their faculty, staff and students to attend this session compulsory.

After completion the gender audit sessions we request you to please fill the google form by 28th February 2022.

Please note that Gender audit committee members will finalize the report only after we get a good response.

Soon we will share MSTeams link for the session.
