INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Dear Tushar,

Congratulations! I am pleased to inform you that you have been admitted as a student to the Master of Science program in Chemical Engineering at the University of Illinois at Chicago (UIC) beginning in the Fall 2019 term.

The Graduate College requires that each degree student work with a department advisor in selecting courses. Details on advising will be communicated to you by the department, if they have not already done so. Also available for students admitted to the University is my.UIC, a portal designed to assist students with the admission to registration process. Please go to <http://go.uic.edu/gradadmit> to access my.UIC, if you have not already done so. We encourage you to visit the portal regularly to check your messages and obtain new information.

Newly enrolled students are automatically enrolled in CampusCare, the University-sponsored health benefits program, when assessed the Student Health Insurance Fee along with the tuition. Consult the CampusCare website at <http://campuscare.uic.edu> to obtain information about the program including permissible reasons to have it waived.

You have been classified as an international, nonresident student of Illinois. This status is for a person who is a citizen or permanent alien of a country other than the United States, who expects to return to a residence outside the United States, and either is, or proposes to be, a temporary alien in the United States for educational purposes only. As an international student you are required to see an advisor in the Office of International Services (OIS) at UIC to verify your current immigration status upon your arrival at UIC. Failure to do so may jeopardize your stay in the US. Any questions or concerns regarding your immigration status should be addressed to OIS.

In light of your academic record, the Department of Chemical Engrg has recommended Limited Status for your admission. The department will notify you in writing about the details of these conditions. If you have any questions, please contact them.

Your admission is conditional upon receipt of certain required documents. If you are currently completing your bachelor's degree, you will need to submit a final, official transcript. If your admission is based on unofficial documents, we will need to receive official documents. The required documents that must be submitted are listed on your application status page. See our Admitted Student Guide at <http://go.uic.edu/gradadmit> for submission details. For specific questions about your admissions status or required documents, consult the Office of Admissions at (312) 996-4350.

Admission to the Graduate College is for a specific term. However, if you wish to defer admission, it is possible that you may do so for up to one year without reapplying. Please contact your department with any questions concerning deferral.

Again, congratulations! We look forward to providing you with an outstanding education.

Sincerely,

Karen J Colley

Dear Grisha Jairam Dialani,

On behalf of the School of Graduate Studies at the University of Toronto, I want to extend my congratulations. You have been offered admission to one of our graduate programs, and I hope that you will accept. I am confident that you will find our academic community a welcoming one, and that we can help you fulfill your scholarly goals.

Once enrolled, you will join a group of almost 15,000 graduate students at Canada's largest graduate school. The array of scholarly pursuits, across the full range of academic and professional programs, means that expertise and knowledge resources will be available to you, whatever your particular interest. While our institution may be large, I think that you will find that your graduate program will offer you a community of a more modest size, in which you can feel at home.

Our size and diversity also involve complexity. On occasion you may find yourself in need of special advice or assistance. Please do not hesitate to ask for help. The graduate coordinator and staff in your program will be able to provide knowledgeable support, and we at the School of Graduate Studies are also ready to offer assistance and direction. Our goal is to make it possible for you to do your best work.

Please respond to this offer by returning the enclosed form to the graduate unit with which you have been communicating, as per their instructions.

Whatever your decision -- and I hope that it is to join us -- I offer my best wishes for your continued success.

Yours sincerely,

STUDY REQUIREMENTS

Course and unit requirements

The Handbook contains course and unit information for all study periods. Course level information includes course structure, indicative workload and course rules (including any requirement to complete Work Integrated Learning (WIL)). Unit level information includes prerequisites, modes of study, contact hours, content, assessment and other requirements to complete the unit. For example - National Police Record Check, Working With Children Check or immunisations. For full details, please view: <http://www.deakin.edu.au/students/enrolment-fees-and-money/university-handbook>.

Work Integrated Learning (WIL) includes an industry work placement as a compulsory part of your degree. There are different types of industry work placements, including industry based learning (IBL), work based learning, career placement, community based placement and volunteering placement. These placements can start at any time and are not linked to a particular study period. Please check the Handbook for any compulsory WIL requirements relating to your course.

Online study

International students can undertake 33% (one third (or equivalent)) of their course online, with at least one unit of face-to-face study in a compulsory study period. The only exception is if you have one unit to complete in your final study period – this can be completed on-line. Online study is not an option for DUELI students.

Course progress

Student visa condition 8202 states that you must remain enrolled and maintain satisfactory course progress for each student period. Deakin reviews all students' academic progress each study period. For full details, please visit:

<http://www.deakin.edu.au/students/studying/assessment-and-results/academic-progress>.

DUELI students undertake several assessments tasks throughout each teaching block. Students are required to pass these assessment tasks in order to progress to the next level, or meet the English language requirements to enter into the intended award course. Students who fail at a given level three times will be unable to progress to the next level. DUELI students are also required to attend 80% of scheduled classes. Students with unsatisfactory attendance will be reported and this may impact on your student visa.

Study support

Deakin has a team of staff and students dedicated to providing study support services to help get the most out of your learning experience.
