(Respected sir, Kindly check the content for the appeal for financial help)

Hello dear alumni,

As the Chemical Engineering Department at MITAoE is well known for its helpful deeds for the students. Many of our alumni are now placed in renowned industries but once upon a time some of them were in deep trouble because of their financial crisis. We helped them with whatever means which we could.

The reason for elaborating all this is that in the Academic Year 2016-17, we have a student in second year, Pratibha Salunke who is not able to pay her college fees because of her poor family background. She has completed her diploma in Chemical Engineering from Government Polytechnic, Jalna with 73.27% (aggregate) in the year 2015-16.

She is basically from Ghargaon, Tal-Kalamb, Dist-Usmanabad. Her father is a farmer; an owner of 179 Are (1.79 Hecter) dryland (Ulpbhudharak Certificate attached) with an annual income of Rs. 52,000 only (Income certificate attached). Because of her poor financial conditions her parents are unable to support her education.

She is an ambitious girl who'd wish to help her family and her younger brothers in the future. But for the same she needs to pay her academic fees first.

According to the official fee structure her (Open Category) total fees is Rs.1,36,817, she managed to pay 70,000 only through loan and her **pending fees is Rs. 66,817 only**. As per the guidelines from Dr.N. M. Rane, Head of Chemical Engineering Department we request you all to kindly help her financially to pursue her education.

Kindly do the needful as early as possible.

Thank You!

Till now we received two positive responses to help the student, one of them is from your side and another is from Mr. Chaitanya Karale. As it is about admission of the student, we have decided to send the account details to the donors.

As suggested by Mr. Chaitanya that we should send the account details to the donors, if we receive extra amount, we can use for next year.

So, we request you to transfer full fee amount of Rs. 1,36,876 only.

Following are the account details of Pratibha Salunke.

Please go through the content and kindly suggest corrections.

Dear alumni,
Hope you all are doing well in your respective working places, we are proud of you all and happy to know that you all are doing well.

And thank you for your generous reply to help the needy student Ms. Pratibha Salunke last year. She has successfully completed her third year. And now she is ready to enter fourth year.

Unfortunately this year also; she is facing the same issues. Because of her poor family background, she is unable to pay the fees. She is basically from Ghargaon, Tal-Kalamb, Dist. Osmanabad. Her father is a farmer; an owner of 1.79 Hecter dryland (Alpbhudharak Certificate attached) with an annual income less than Rs. 60,000 only. Her entire family depends only on this source of income which is very limited to fulfill the basic needs

According to the official fee structure, her (Open Category) total fees is Rs.1,36,787 only. She has managed to pay 70,071 only **thus she needs to pay 66,716 rupees only** on or before 15th August 2018. On behalf of the department we humbly request you all to help her as per your wish.

Kindly do the needful as early as possible.

Thank You!
