Dear Dr. Yogesh Bhalerao ji,

Greetings from the Ministry of Human Resource Development!

At the outset, Congratulations for being a Swachh Campus! We share your enthusiasm and sense of achievement for being recognized by the MHRD, GoI. As the Ministry has now selected your esteemed institution Under Swachhta Action Plan 2019 for promoting swachhta in the community, we take pride in announcing our association with you for the fulfillment of the agenda. The task on hand is 100% Achievement in the Practices of Comprehensive Sanitation Management (including ODF) in the 2 adopted villages with which your institution is engaged with. Under Swachhta Action Plan 2019, the following activities are slated for Swachhta Awards this year -

1. Adoption of 2 villages for Comprehensive Sanitation Management and achievement of 100% sanitation
 2. Documentation of the efforts and success in these 2 adopted villages in the form of caselet or case study.
 3. Video Recording of these 2 adopted villages and stories thereof that will be used as part of academic courses.
- These activities will also allow experiential learning for students of Higher Educational Institutions which are going to initiate MBA (Waste Management and Social Entrepreneurship), the curriculum for which has been developed by MGNCRE. The deliverables will allow active involvement in the implementation of the program to ensure achievement of targets set for the villages adopted by you. In this regard, we are conducting workshops across the country to finalize the activity plan for the year. We request you to kindly identify a Nodal Officer from your institution who can join us in the one day Consultative workshop planned on 30th August 2019 at MGNCRE office (5-10-174, Shakkar Bhavan, Feroz Meadon Lane, Basheer Bagh, Hyderabad) to finalize the activity plan for the year. The details of the workshop will be communicated to you accordingly.

Our officer Dr Ravi Prakash Singh, Senior Faculty, MGNCRE (Ph. 09873507524) will assist you in this regard.

Thanking you,

Yours sincerely,

 Dr. W G Prasanna Kumar
