01.Introduction

Introduction

MIT Academy of Engineering (MITAOE), Alandi, Pune, was established in 1999 under MAEER by the honorable Prof. Dr. Vishwanath D. Karad, Founder and Executive President of MIT Group. The institute offers seven UG programs (B.Tech) and three PG programs (M.Tech). The UGC honored the institute with 'Academic Autonomy' in 2016, considering the quality of pedagogical practices, research, faculty, and the state-of-the-art infrastructure that meets global standards.

The Savitribai Phule Pune University (SPPU) has honored the institute with the 'Best Engineering College (Professional Courses) award. The institute has made its mark by excelling in academics and research, and it continues to grow as a 'Centre of Excellence in engineering education and research. The NBA Accreditation to most branches, 'A' Grade by NAAC in 2014, and the 2(F) & 12(B) status from the UGC, are the testimony to our pursuit of excellence

VISION

To develop MITAOE into a new-age learning center with an excellent ambiance for academics and research conjugated with a vibrant environment for honing the extra and curricular skills of all its stakeholders, to enable them to solve real-world problems and bring a positive change in the society.

MISSION

To leave no stone unturned in our endeavor to ensure that every alumnus looks back at us and says MITAOE has not merely taught me, it has educated me.
