

The Department of Electronics and Telecommunication Engineering organized an expert lecture on **“IEEE Student Chapter: Benefits, Opportunities, and Professional Growth”** for Second Year E&TC Engineering students on **05 August 2026** at the Seminar Hall, MIT Academy of Engineering, Alandi, Pune. The session was conducted in the presence of **Dr. Smity Kulkarni**, Event Coordinator, along with faculty members and students.

The session was delivered by **Dr. Rashmi Pandhare**, who explained the objectives, benefits, and opportunities offered through the IEEE Student Chapter, highlighting technical resources, conferences, workshops, publications, and leadership activities that support students' professional development. She also emphasized the ongoing academic and research collaboration under the MoU between **IIIT Nagpur** and **MIT Academy of Engineering**.

Students actively participated in the interactive discussion on IEEE membership and chapter activities. The program concluded with a token of appreciation presented to **Dr. Rashmi Pandhare**, followed by a vote of thanks by **Dr. Smity Kulkarni**, Event Coordinator.
