

IUCEE MITAOE INSTALLATION REPORT

ACTIVITIES

FORMATION OF IUCEE MITAOE :

May 16th, 2021

On the 26th of May, 2021 the IUCEE student council MITAOE was formed with due regards from Dr. Sampada Pachaury ma'am, the director of Student Development program in IUCEE foundation, the chapter of our institute was formed along with our faculty co-ordinator, Prof. Nilesh Totala Sir.

IUCEE STUDENT CHAPTER MITAOE TEAM RECRUITMENT :

May 20th 2021

On the 20th of May, 2021, on the request to Dean of School of Mechanical and Civil Engineering, and with regardful consideration along with Dean of Student Affairs, Prof. Nilesh Totla was requested to embrace the portfolio of the coordinating IUCEE Student Chapter initiation and proceedings thereafter.

The first and foremost important obligation was the election of the student council body. An interview was scheduled based on properly designed rubrics and assessment on 20th May, selected students were appointed to different designations at the student council by Dr. Maya Charde, Dr. Pramod Kothmire, and the Faculty coordinator Prof. Nilesh B. Totla. The juries mentioned above were very eminent experts who had completed the IUCEE Courses.

The form link is attached below :-

https://docs.google.com/forms/d/e/1FAIpQLScaq5ivtxlRdvooYXCLrRdhaZE8od135sy5JzvPxwmUSasQ_A/viewform?usp=sf_link

Following were the selected members along with the assigned portfolios:-

Sr. No.	Name	Designation	Email Id	Contact no.
1	Siddharth Kanikdale	President	spkanikdale@mitaoe.ac.in	9096995331
2	Tanmay Thawkar	Vice President	tanmay.thawkar@mitaoe.ac.in	9420618148
3	Sayali Chaudhari	Secretary	sschaudhari@mitaoe.ac.in	9309890006
4	Vaibhav Chavan	Joint Secretary	vaibhav.chavan@mitaoe.ac.in	8605703352
5	Yashodhan Hakke	Communicator and Interpreter	yashodhan.hakke@mitaoe.ac.in	9373264894
6	Suyash Ombale	Social Media Team	svombale@mitaoe.ac.in	7798864027
7	Vishal Patil	Social Media Team	vtpatil@mitaoe.ac.in	9359130982
8	Vaidhahi Nagolkar	Event Manager	vnagolkar@mitaoe.ac.in	9404376136

Regarding the same, after the selection of the student council, a short interaction session was arranged with Dr. Sampada ma'am along with the concerned Deans and faculty coordinators, where she addressed the students regarding the guidelines of IUCEE on the 24th of May. The Chapter is in its initial stages of development and is premeditated to build a website and page on social media platforms. we plan on taking it to new heights in the coming days with the interaction between other chapters and thereby forming a national network amongst ourselves hoping in mutual growth of the chapters.

MIT Academy of Engineering,

IUCEE Student Chapter News May 26, 2021

With due request from Dr. Sampada Pachaury, Director of Student Development Program in IUCEE foundation, to MIT AOE and the School of Mechanical and Civil Engineering, we hereby commence the Student Chapter under the IUCEE Forum. On the request to Dean of SMCE, and with regardful consideration along with Dean of Student Affairs, Prof. Nilesh B. Totla was requested to embrace the portfolio of the co-ordinating IUCEE Student Chapter initiation and proceedings thereafter.

The first and foremost important obligation was the election of the student council body. An interview was scheduled based on properly designed rubrics and assessment on 16th May,

selected students were appointed to different designations at the student council by Dr. Maya Charde, Dr. Pramod Kothmire, and the Faculty coordinator Prof. Nilesh B. Totla. The juries mentioned above were very eminent experts who had completed the IUCEE Courses. The proposed student council is as follows:

Sr.No.	Name	Designation	Email Id	Contact no.
1	Hrugved Hasabnis	President	hrugved.hasabnis@mitaoe.ac.in	7620866282
2	Yash Sarnaik	Vice President	yash.sarnaik@mitaoe.ac.in	8855862751
3	Sayali Chaudhari	Secretary	sschaudhari@mitaoe.ac.in	9309890006
4	Vaibhav Chavan	Joint Secretary	vaibhav.chavan@mitaoe.ac.in	8605703352
5	Yashodhan Hakke	Treasurer	yashodhan.hakke@mitaoe.ac.in	9373264894
6	Tanmay Thawkar	Joint Treasurer	tanmay.thawkar@mitaoe.ac.in	9420618148
7	Soham Parate	Communicator cum Interpreter	soham.parate@mitaoe.ac.in	9967950847

8	Siddharth Kanikdale	Member	sptanikdale@mitaoe.ac.in	9096995331

IUCEE STUDENT CHAPTER MITAOE INAUGURAL CEREMONY :

July 10th , 2021

On 10th of July, the Inaugural ceremony of IUCEE-MITAOE Student Chapter was organized by the Student Team of MITAOE, where Prof. Dr. Krishna Vedula Sir, Dr. Veena Kumar Ma'am and Mrs. Sampada Pachaury Ma'am were invited as chief guests. After welcoming our respected chief guests, the honorable Director of MITAOE, Dr. Mahesh D. Goudar Sir and all the fellow attendees, the event was set for a take-off. Later on, the students listened to the inspiring words of the faculty coordinator of the Student Chapter, Mr. Nilesh B. Totla Sir who himself is certified with IUCEE certification and has good knowledge regarding the IUCEE collaboration. On behalf of the whole team, Mr. Nilesh B Totla Sir welcomed everyone to the event and expressed gratitude to the IUCEE Authorities for introducing the IUCEE Student Chapter at MITAOE.

Followed by a clear introduction by the Student President, the Global Industry Advisor at IUCEE, Mrs. Sampada Pachaury ma'am, who also greatly helped in the core formation of the Chapter, congratulated the Team for their efforts and expressed her willingness to provide a continued support in order for the Student Chapter to achieve great heights.

After that, Prof. Dr. Krishna Vedula Sir, an emeritus Dean at the University of Massachusetts, was requested to share his thoughts on Engineering. In his inspiring speech, the importance of students in the society was highlighted along with the opportunities and challenges they come across. "The way you learn Engineering is by actually doing Engineering". And not just Engineering, the best way to learn anything is by actually doing it". He explained the importance of practical knowledge in the field by giving numerous simple and relatable examples. Lastly, he encouraged the students to work hard as they are the future of the society. Education is not all about stacking up on technical skills. Dr. Veena Kumar ma'am with the specifications of education technology, communication and faculty training and over a prodigious 30 years of teaching and research in different countries, addressed the students by stressing more on the out of the box thinking and practical knowledge and congratulating the team for successfully establishing the Student Chapter and wishing the best for the future.

Following that, Dr. Mahesh Goudar Sir, Director of MITAOE, shared his thoughts on the formation of Student Chapter and positively supporting it. He also shared his thoughts and experiences with IUCEE in brief which took us to nostalgia. He

highlighted on how wonderful of a platform IUCEE is to help transform the pedagogical approach to the andragogic approach and how great of an opportunity it is for the students.

Next, the recruitment process was thoroughly explained to students by Mast. Yashodhan Hakke, the Student Communicator of IUCEE Student Chapter of MITAOE. Following that was the Q and A session, where the queries of attendees were answered by the team.

Concluding the event, the official website for the student chapter was launched and it was showcased and briefly explained by Sayali Chaudhari, the student secretary. At the end, Vaidehi Nagolkar, who anchored the whole event, invited Tanmay Thawkar, the Student Vice President of the chapter, to give a vote of thanks to the honorable chief guests for their graceful presence at the event and thanked everyone else for attending the event.

The link for the inaugural session has been attached below:-

MIT Academy of Engineering,
IUCEE Student Chapter News Letter July 26, 2021

The month of June marked a very significant month in the Student Chapter of MIT-AOE as, we officially launched the student chapter with the members on the dias. The chapter commenced with a speech from the Hon. Director of MIT AOE, Dr. Mahesh

D. Goudar, who briefly told us about the bond between IUCEE and MITAOE and how IUCEE courses have improvised the learning and teaching pedagogy in MIT-AOE and its faculties. Mast Siddharth Kanikdale from the core committee anchored the session and handed over the mic to Mr. Nilesh B. Totla, Faculty Co-ordinator of the Student Chapter, who gave a speech regarding the foundation of the chapter in MIT-AOE. This was later followed by a detailed speech by the Student-President of this chapter, Mast. Hrugved V. Hasabnis introduced the concept of IUCEE Student Chapters and the purpose behind the formation of

Student Chapters to the students of MIT AOE and how crucial part it is going to play in the co and extracurricular sector. He later explained the selection process of the core student members and introduced the panel to the students. After this, Dr. Krishna Vedula addressed the students and shared his experiences of learning and teaching in his very profligate career. Dr. Veena Kumar ma'am also shared some beautiful insights from her career and time spent in MIT-AOE. Later Sampada Pachaury ma'am who helped the chapter to set up from scratch guided the students more about the IUCEE. After this the communicator of the chapter, Mast. Soham Parate introduced the students to the recruitment form and process of enrolment and admission in the chapter. Later, Miss Sayali Chaudhary, Secretary of the Student Chapter, gave a tour of the website developed and designed by the core members on the platform of Google Sites. This was later followed by a question and answer part where students interacted with the dice. After this, the Vice President of Chapter, Mast. Yash Sarnaik gave a vote of thanks to all the chief guests for sparing their valuable time for us and the inauguration ceremony of the Student Chapter.

The current website of the Student Chapter is on the platform of Google Sites but the committee feels that it should be a student-built website where students would also learn about web development. Regarding the same, we approached the Head of Website at MIT-AOE, Mr. Nilesh Lokhande, and three members from the committee, Mast. Soham Parate, Mast. Hrugved Hasabnis and, Mast. Yashodhan Hakke would be working with him to build a fully functional and live website of the IUCEE-MITAOE Student Chapter. This project is supposed to have a deadline of 45-50 days as the students would learn web development and work on designing and structuring the mini-project and build the site.

Regarding the plan for the month of July, we are thinking of a quiz on a computer topic having aptitude questions which would benefit the students for their preparation of aptitude and competitive skills. The recruitment form has had a few responses by now and we also plan on adding more members to the student chapter by a similar process of selection to the process of selection of the core committee.

Thank you.

The month of July was the one, where the Chapter officially conducted its first event with the students of college across India in online platform. It was an online quiz based on the aptitude questions on C and Python programming , which the students are familiar with. This segment was termed as Quizophile and as it was a blast! The chapter intends to add more of these quizzes in the upcoming days. Miss Sayali Chaudhari and Mast. Tanmay Thawkar had taken the lead in this project and took it to a huge success under the guidance of Mr. Nilesh B. Totla. More than 150 students participated in this event which took place on 30th July. Miss Asavari Kalse won this event with Mast Satwik Devle and Mast Pratik Darange finishing behind him respectively. Each qualifying student was awarded with a certificate of participation. All the questions and their correct answers along with the student's copy were mailed to the participant after the attempt.

Regarding the website development, the team is working under the Head of Website at MITAOE for the Student Chapter website and is confident to complete it under the deadline issued. It is in the analytical phase now and after a few more brainstorming sessions, supposedly everything shall fall in a single piece and then it should be ready for launch . The basic skeleton and other features of the website are ready now and the team is working hard on it.

The sample certificates and the prize winner certificates are attached below:-

IUCEE Student Chapter News July 30, 2021

The month of July was the one, where the Chapter officially conducted its first event with the students of college across India in online platform. It was an online quiz based on the aptitude questions on C and Python 3 Programming, which the students are familiar with. This segment was termed as **Quizophile** and as it was a blast! The chapter intends to add more of these Quizophiles in the upcoming days. Miss Sayali Chaudhari and Mast. Yash Sarnaik had taken the lead in this project and took it to a huge success under the guidance of Mr. Nilesh B. Totla. More than 150 students participated in this event which took place on 30th of July. Mast Ayush Nandanwar won this event with Mast Vrushabh Lakade and Mast Pratik Darange finishing behind him respectively. Each qualifying student was awarded with a certificate of participation. All the questions and their correct answers along with the student's copy were mailed to the participant after the attempt.

The Chapters plans on to having some webinars in the month of August for the students of college and National level. The webinars shall be based on the Engineering terms which would be very beneficial for the students. Considering the immense response for the Quizophile, we are determined to work more hard on the webinar segment to make it a huge success again.

Regarding the website development, the team is working under the Head of Website at MITAOE for the Student Chapter website and are confident to complete it under the deadline issued. It is in the analytical phase now and after a few more brainstorming sessions, supposedly everything shall fall in a single piece and we should be ready to launch it. The basic skeleton and other features of the website are ready now and the team is working hard on it.

Thankyou.

IUCEE-MIT-AOE's FIRST EVENT IN FORM OF QUIZOPHILE TURNS OUT HUGE

MIT Academy of Engineering, MH

IUCEE Student Chapter News July 31, 2021

We are pleased to announce the successful execution of the very first event in the new segment 'Quizophile'. The first event of Quizophile was an online quiz based on the aptitude questions on C and Python 3 which students are familiar with. It was carried out at National level as students from all over the nation participated in it. The event saw students from almost every department and all the years participate in it at a large scale. The chapter intends to add more of these Quizophiles in the upcoming days after seeing its huge success. Miss Sayali Chaudhari and Mast. Yash Sarnaik had taken the lead in this project and took it to glory under the guidance of Mr. Nilesh B. Totla. More than 150 students participated in this event which took place on 30th of July. Mast Ayush Nandanwar won this event with Mast Satwik Devale and Miss Asavari Kalse finishing behind him respectively. Each student was awarded with a certificate of participation. The chapter also thanks Mrs. Mayuri from MIT-AOE who helped with the task of distribution of certificates immediately after the quiz. All the questions and their correct answers along with the student's copy were mailed to the participant after the attempt. The link of the quiz form is attached in the report itself.

RECRUITMENT OF NEW MEMBER IN THE CHAPTER :

Oct 3rd, 2021

On the 11th of September a mail was circulated to all the branches of MITAOE regarding the recruitment process of the IUCEE MITAOE as we (the core team) felt the need of some more members in the team for better management and distribution of work. Over 37 responses were received from the students who wanted to join the chapter either as the core team members, the social media members and some general members of the chapter.

The students were separated on the basis of posts for which they had applied and an interview round was conducted on 3rd of October, 2021. Two interview panel were created, one for students applying for Core team and the second panel for students applying for Social media team. The first panel included the President, Vice President, Secretary, Communicator and the Management Head as the interview panelists while the second included the Joint Secretary and two Social Media head of IUCEE MITAOE. The interview was conducted on Google Meet platform. From the 37 candidates, 15 candidates were chosen considering their academics, communication skills, prior experience if any and the coding knowledge. The 15 selected candidates information is been mentioned below:-

Sr. No.	Name	Designation	Email Id	Contact no.
1	Sidhesh Ugale	Communicator	saugale@mitaoe.ac.in	9284325074
2	Mrinal Kasture	Social Media Team	makasture@mitaoe.ac.in	8862060440
3	Hemant Prakash	Social Media Team	hemant.prakash@mitaoe.ac.in	9123244609
4	Pramod Kale	Social Media Team	kale.prabhakar@mitaoe.ac.in	7666743085
5	Meghraj Shahdev	Social Media Team	jogdand.shahadev@mitaoe.ac.in	9403526970
6	Prajyot Undare	Social Media Team	ppundare@mitaoe.ac.in	9604309490
7	Vishal Godse	Management Team	vishal.godase@mitaoe.ac.in	93223 08404
8	Pallavi Gaikwad	Management Team	ppgaikwad@mitaoe.ac.in	8208177068
9	Vaibhav Gour	Management Team	vaibhav.gour@mitaoe.ac.in	8329001745
10	Shreyashi Bhagwat	Management Team	shreyasi.bhagwat@mitaoe.ac.in	7397912424
11	Bhagyashree Kadam	Management Team	bhagyashri.kadam@mitaoe.ac.in	9307150748
12	Aditya Kumbhar	Management Team	aditya.kumbhar@mitaoe.ac.in	8767207980
13	Shwetal Desai	Content Writing Team	shwetalidesai@mitaoe.ac.in	8975085923

14	Shweta Kumar	Content Writing Team	srkumar@mitaoe.ac.in	9284745235
15	Chandan Roy	Content Writing Team	chandan.roy@mitaoe.ac.in	7020736455

These are the current members of the IUCEE Student Chapter MITAOE. For the smooth running of the chapter we all will be working together and taking further our chapter.

FUTURE EVENTS (PLACEMENT INFORMATION WEBINAR BY EXPERTS):

In the future we have decided to conduct a webinar or a seminar (offline mode) on the placement criteria of every department. The program will be of about 4 to 5 weeks. Every week there will be a session for individual branch. For now the sequence decided in ENTX/ETX, COMP/IT, MECH/CIVIL and CHEM, but according to the availability of the experts the sequence may vary.

The objectives of the webinar would be

- To give a distinct vision about placements in core branches.
- To create an awareness among the student about technical studies/core studies which gets started from 2nd Year (Importance of Technical Studies in student life).
- To make students understand about the need/expectation of industries from technical students.
- To make students aware about latest trends ,scopes in core branches in industry.The rough idea of the topics that the expert would cover are
- Introduction of respective branch and specialty in course of the guest.
- Guest talk on Technical education and its Importance from the point of view of placements (Some applications/examples of technical topics that are used in industry).
- The things one can start prepare from 2nd year to become placement ready for Core industry.
- Discussion on latest trends, scopes for the respective branches.
- Brief talk on Industrial internships (How to prepare for internships and what to do are getting internship).
- Tips for personality development (How students prepare themselves for the interview rounds).
- Guest talk on Industrial necessity on hiring of student.
- Sharing of guest experience (Technical challenges they faced in

industry).

- The desired outcomes from the placement webinar would be
- Students will know the importance of technical education.
- Students will get a clarity on the placement pattern and will start preparing themselves for their future.

Thank You

IUCEE EVENT ON “PREPARATION STRATEGIES ON PLACEMENT IN IT SECTOR”

Jan 15th, 2022

On 15th of January 2022, the student chapter of IUCEE MITAOE successfully conducted the second session on the topic “Preparation Strategies on Placement in IT Sector”. About 60 participants joined this webinar. The session was started with the voice of our Vice President Mr. Tanmay Thawkar who greeted Dr. Dayaanaand Ghule Sir who was the guest of honor for the session and also introduced him to the audience. After the introduction of our chief guest the session was then handed over to our faculty coordinator Mr. Nilesh Totla Sir who welcomed our chief guest with his kind words.

The session was then successfully started and the stage was handed to Dr. Dayaanaand sir to present his presentation and explain the students in detail about the topic. He started the session with a question “What is technology?” answering to which he said, “Answering this question would automatically show you the opportunities in it”. He mainly focused on the cloud computing field. Starting from the scratch he addressed the topic in a very well managed way that helped the students understand the topics of cloud computing and their role in placements very well. He told the audience that they are already prepared for their interviews, the thing that lags them behind is the confidence, and asked all the participants to work and build their confidence. Moving further he then explained the students about the characteristics of cloud computing which included visualization, multi-tenant, shared resource pool, metered, etc. He then explained the various models of cloud computing giving different examples for each

model. The service models like IaaS, PaaS, and SaaS were explained. The students were then briefed about the role of different types of companies on different aspects or characteristics of cloud companies. Benefits of cloud computing with respect to cost, focus and technology was then explained. He then moved further with the challenges and limitations in cloud computing. Ending his talk he also explained the participants the opportunities in the cloud computing field as it was discussed earlier.

After the talk by Dr. Dayaanaand Ghule Sir it was time for the question and answer session where students asked their doubts which were answered by sir very precisely. The session was then ended by sharing among the students, link for feedback of the webinar, which is provided below along with the link of webinar recording.
