## ● **HUMAN RESOURCE POLICY MANUAL**

The Management and the Head of the Institution understand that various Deans and Departmental Heads need guidelines to effectively recruit, hire, manage and promote employees. Since laws concerning employment issues are constantly changing, it is important that our policies are made up to date and Deans and Departmental Heads are kept abreast of them.

This manual does not supersede the requirements of the statutory / non-statutory bodies like UGC, AICTE, NAAC, NBA, ISO 9001: 2015 QMS, MAEER, Savitribai Phule Pune University or those of any other. It is aimed at ensuring that MITAoE adheres to those so that it becomes an employer of choice while spearheading its goal of value-based quality education while meeting global aspirations.

This Human Resource Manual is an effort to begin to develop consistent policies and procedures complying with the norms of various regulatory bodies like UGC, AICTE, SPPU and the legal employment framework of the state government. Hopefully, this guide will prove to be a useful tool to Deans and Departmental Heads to establish uniform policies and procedures for our personnel.

The Human Resource Team is committed to helping in the interpretation of any policy. All employees are expected to read the Human Resource Policy Manual available on the institute website at the time of joining and every calendar year to know the policy updates made from time to time. Updates will also be informed to employees by email. Any update can be made as and when required with the permission of the Management/Governing Council of the Institution and as per the statutory requirements.

A sincere effort has been made to create a manual anticipating future needs and issues in a manner easy to understand for most users. Suggestions and contributions to make the manual more comprehensive are welcome from all the employees.

Any ambiguity/clarifications/doubts that arise out of the interpretation of any of the text of this Manual shall be ironed out through the laid down rules and regulations. In case of any conflict of rules laid down by UGC, AICTE, and SPPU a proper decision 'on a specific matter is left to the sole discretion of the Head of Institution and Executive Director.

This Manual shall not remain a sacred book and may be subject to periodic amendments depending on the needs that arise from time to time.

### ● **MANPOWER PLANNING PROCESS (MPP):**

MPP is the first step in recruitment; it is to be carried out at the start/end of each academic semester

of the Institute. Sanctioned Manpower budget will be adhered to for any given academic year. Recruitment for all positions at the institute shall be part of the Manpower Plan. The Manpower Requisition shall be obtained from the School Dean in case of faculty positions and from Registrar/Section Heads for all other administrative positions. The Manpower Requisition form shall include justification for all the additional positions along with the financial impact of it. The HR Section will forward this for the approval from Director.

### ● **FACULTY & STAFF EMPLOYMENT:**

The recruitment process is open throughout the year for good quality faculties however the faculty and Staff employment during the semester will be avoided as far as possible.

The Director will then determine if the vacancy is to be filled through in-house staff or a new employee has to be selected. As far as possible it will be ensured that all existing employees are allowed to apply for any new vacancy if they so desire.

All internal applicants must be treated in the same manner as external applicants. It is inappropriate to conduct 'courtesy' interviews simply because an applicant is already on campus.

- **FILLING IN OF TEMPORARY VACANCY:**

Where vacancy of a teacher is to be filled in temporarily but not exceeding one term (i.e. 6 months) the Director on the recommendation of the Registrar/Deputy Director (Administration) shall make an appointment.

- **CREATING A NEW POSITION:**

Manpower Requisition Form must be completed by School Dean and submitted to the HR, who will

Review and assign the most appropriate title according to the job specifications in consultation with the Registrar/Deputy Director (Administration) and put up to the Director. Reclassifications of vacant positions can be requested at any time during the academic year. If a classification is chosen which is not on the current pay plan, a pay grade will be assigned based on available market data. This manpower requisition requires approval from the Director (or the competent authority appointed on his behalf) to initiate the hiring process.

- **JOB ANNOUNCEMENT:**

All positions must be advertised externally for ten working days. Exceptions may be approved only in the rarest of circumstances by the Director. Our website too will be listing new openings available at the Institute from time to time.

On approval, the positions may be filled by:

- **NEWS PAPER ADVERTISEMENT:**

Once the job advertisement is ready, the advertisement will be posted on the website and/or in the Newspaper on approval from Executive Director (or the competent authority appointed on his behalf). When placing an external advertisement, the advertisement will specify that all resumes or applications be sent to HR and all correspondence refers to the appropriate job number.

- **PORTAL:**

HR would require approval from Director or the competent authority appointed on his behalf to purchase portal IDs.

- **THIRD-PARTY VENDORS:**

HR may also approach leading institutions and outsourcing firms to fulfil the organization's manpower and research requirements. HR would require approval from Director or the competent authority appointed on his behalf on the rate terms that need to be paid to the vendor for each position shared with them. We should try to avoid third-party vendors as far as possible, especially for faculty positions.

- **EMPLOYEE REFERRAL:**

If an applicant contacts any of the schools or if any employee wishes to refer a candidate for the said position, he/she should be referred immediately to HR.

Reservation norms should be followed strictly as per the government rules. Advertisements need to be approved by the Director before publishing and should be further approved by the University Reservation cell as per the UGC rules as the case may be.

Although disciplinary action may involve sanctions against staff, the primary purpose is to maintain and improve standards.
3. The purpose of these procedures and disciplinary rules is to establish equitable and consistent standards throughout the Institution, to ensure that disciplinary action is fair and reasonable in the circumstances of each case, and to engender due respect for and acceptance of agreed standards and reasonable instructions.

6. The Director and competent authority will outline the cause of concern and the staff member will be allowed to state his/her case. Director and competent authority are required to provide appropriate prior notification of any allegations and any evidence, in accordance with natural justice. A written record of all disciplinary hearings and appeals will be kept.
7. If conduct or performance is not satisfactory, the staff member will be required to attend a formal disciplinary hearing held by the Director and competent authority should the superior consider any explanation offered is unsatisfactory, the superior may issue a verbal warning followed by a written warning notice..
8. An appeal against a verbal / written warning notice may be made in writing, within 7 days of the receipt of the warning letter. The appeal will normally be heard within 14 days. The decision at the appeal hearing will be final.
