01	<p>To confirm the previous minutes of meetings and review on action taken report.</p> <p>Discussion and Resolution:</p> <p>IQAC Coordinator, welcomed all members to the meeting and briefed about the IQAC committee. With permission of chairman, the IQAC Coordinator discussed the agenda of the meeting in his opening remarks.</p> <p>The previous minutes of meeting (Meeting-4, 2023-24, August 30, 2024) and review on action taken report was discussed and confirmed by all members of IQAC.</p>
02	<p>To discuss the value-added courses planned and status of the same for the Term-I of the AY 2024-2025.</p> <p>Discussion and Resolution: IQAC Coordinator presented the status of planned value-added courses in each school of engineering for AY 2024-2025, Term-I & II. All schools are requested to identify the value added courses for the students of each year. There should be minimum one value added courses per semester to be offered by schools. The details of values added course need to be updated in next IQAC meeting.</p> <p>Details are given in Annexure -I</p> <p>Responsibility: All School Deans</p>
03	<p>To discuss the NBA mock audit report, analysis, and action planned</p> <p>Discussion and Resolution: All School Deans presented the status of the NBA mock audit conducted and action taken thereon.</p> <p>Chairman IQAC raised concerns regarding remarks during the mock audit in each school. The major concern was regarding consultancy, and research grants/funds. He opined to increase the efforts to change the status. He also opined that Professors and Associate Professors shall mandatorily make efforts to submit research proposals to various agencies. Dean, R&D elaborated on the research status and prospects for the academic year 2024-2025. It is also suggested to conduct an NBA audit after the completion of each semester.</p> <p>Details are given in Annexure -II</p>

	Responsibility: All School Deans
04	<p>To discuss the status of NBA compliance report preparation and submission for 4 UG programs (Chemical, Computer, E&TC and Mechanical)</p> <p>Discussion and Resolution: IQAC Coordinator presented the status of preparedness of submission of NBA compliance for four (04) UG programs viz. Chemical, Computer, E&TC and Mechanical. The compliance submission is targeted for June – 2025 cycle. It is requested to be ready with NBA compliance report by 20th November 2024.</p> <p>Details are given in Annexure –III</p> <p>Responsibility: All School Deans</p>
05	<p>To discuss the outcomes of academic audits conducted by each school during Term II of 2023-24.</p> <p>Discussion and Resolution: All School Deans presented the outcomes of academic audits conducted by each school during Term II of 2023-24. It is suggested to have mandatory academic audit for each of the semester.</p> <p>Details are given in Annexure –IV</p> <p>Responsibility: All School Deans</p>
06	<p>To discuss a strategic plan for quarter I: 2024-25</p> <p>Discussion and Resolution: The IQAC coordinator presented the target strategic plan for the quarter I of AY 2024-2025. In the presentation, he compared the date achievements against the set targets.</p> <p>Prof. Waphare congratulated for achieving first-year admissions more than targeted. IQAC Chairman briefed about the satisfactory target achievements in the student placement.</p> <p>Details are given in Annexure –V</p> <p>Responsibility: All Deans, Registrar</p>
08	<p>Any other point with permission of Chair.</p> <p>Following points were discussed with the permission of the chair.</p> <p>a. IQAC coordinator informed the status of institute ranking in various categories as follows:</p> <ul style="list-style-type: none"> • Outcome Based Education – Diamond band.

	<ul style="list-style-type: none"> • DIISC – Gold+ • IAR – Titanium • IIRF – All India Rank – 75 and Zonal ranking – 17. <p>He further informed that institute is also targeting for “Sentimental Ranking”. IQAC Chairman further informed that institute is participating in all rankings and academic exhibitions as well.</p> <p>b. IQAC coordinator informed that while implementing the EOMS following targets were achieved:</p> <ul style="list-style-type: none"> • Auditor’s Training Program was successfully completed. • Internal Audit for institute was also completed. • Stage-I academic audit was completed, and Stage-II audit is under process. <p>c. Student representative, Ms. Shruti Ghadge raised the concerns about the readiness of laboratory and working equipment. In addition, she mentions the non-availability of proper wi-fi connection. Further she briefed about time availability for students having loads of academic activities.</p> <p>IQAC Chairman took a note of the concerns raised by student representative and requested all school deans to increase the frequency of the maintenance of the laboratory. He further informed that currently available hardware for wi-fi connectivity will be upgraded in due time.</p>
	<p>IQAC – Coordinator & Dean QA proposed the vote of thanks to all members by expressing gratitude for their active participation in the entire meeting.</p>

modern equipment are not available

WEAKNESS

Improve success rate

Focus on consultancy and research sponsored project

DEFICIENCIES

Funded research project is few

Consultancy

ANY OTHER OBSERVATIONS

Required upgradation in lab equipment's

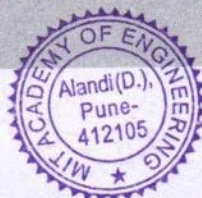

Few classrooms/classes may be shifted to upper floors as demanded by the students as they feel like basement is not properly ventilated

Students projects need to be mapped to SDG goals

1. Course program articulation matrix (CO-PO mapping) needs to be properly defined and justified

2. For direct PO attainment use same values of CO attainment don't use two different methods for CO PO attainment

3. Attainment of program outcomes and program-specific outcomes of all three years is incomplete

Criteria -04

1. Placements and higher studies data and proofs are incomplete

2. Professional activities data need improvement

3. Outcomes of each IEEE event to be in tabular form along with feedback statistics and summary-CR4

4. Try for ISTE membership and sponsorship

5. Slow, advance learner analysis as per academic year and then batch, Identify the common weak students, semester wise what efforts we have taken for these what is improvement observed should be mentioned clearly

6. Average of success rate to be given in the last cycle and the current cycle

Criteria -05

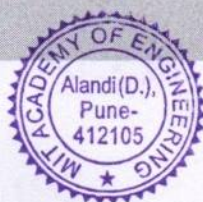

SFR and faculty cadre proportion need to revisit by considering first year faculty

Faculty competency need to complete properly with evidence

Innovations by the faculty in teaching and Learning need to be completed

Needs improvement in research grants and consultancy

Mention about research awards

Benefit of adjunct faculty and adjunct faculty should take half or full teaching load

Criteria -06

1. Quantitative amount for purchasing include technical facility like
2. Collection of books - donated books, PhD thesis etc.& Emphasize on count
3. Upgraded infrastructure to be mentioned clearly

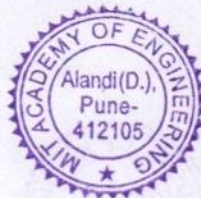

Criteria -07

- o Action taken based on results of evaluation of each of the POs and PSOs not completed
- o Academic audit and action taken need to complete
- o Placement number and quality needs improvement
- o No improvement in higher studies

	To discuss the NBA mock audit report, analysis and action planned										
	Discussion and Resolution: All School Deans presented the status of NBA mock audit conducted and action taken thereon.										
	Chairman IQAC raised the concerns regarding remarks during the mock audit in each school. The major concern was regarding consultancy, research grants/funds. He opined to increase the efforts to change the status. He also opined that Professors and Associate Professors shall mandatorily take efforts to submit the research proposals to various agencies. Dean, R&D elaborated on the research status and prospects for the academic year 2024-2025. It is also suggested to conduct an NBA audit after the completion of each semester.
