Engineering
(An Autonomous Institute)

Dehu Phata , Alandi road , Maharashtra, Pune – 412105

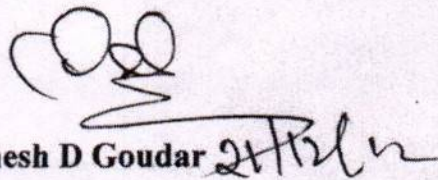

OBJECTIVES

The International Relations is now a part of the department and aims at providing its students a global platform for further education. One of the objectives of the IR is to give our students exposure to the multi – cultural and global educational environment. MITAoE has international collaborations with some of the prestigious foreign university. The collaborations give the students a platform to explore opportunities for further education abroad. The students also get to go to these universities for their projects and attending various seminars, conferences and workshops. The IR conducts various training programs for the students so as to prepare them for further education abroad and also provides them the necessary assistance. It keeps itself abreast of the current development in the global education scenario by participating in various national and international events.

**MASTER AGREEMENT
BETWEEN
MAHARASHTRA INSTITUTE OF TECHNOLOGY ACADEMY OF ENGINEERING
AND
TRUSTEES OF BOSTON UNIVERSITY**

This Master Agreement effective as of May 1, 2018 by and between Maharashtra Academy for Engineering and Educational Research's (MAEER's) Maharashtra Institute of Technology Academy of Engineering (MITAOE), Alandi (D), Pune, an Indian Non-Profit Educational Organisation with a principal place of business at Alandi (D), Pune 412105 and Trustees of Boston University ("BU"), a Massachusetts nonprofit corporation with a usual place of business at 808 Commonwealth Avenue, Boston, MA 02215, U.S.A, through its Metropolitan College International division.

WHEREAS BU and MITAOE recognize the mutual benefits of scholastic interaction between them; and

WHEREAS MITAOE wishes to offer its students the opportunity to study at Boston University and BU agrees to host MITAOE students for the purpose of studying at Boston University;

NOW, THEREFORE, in consideration of the mutual agreements herein contained, and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

1. THE MET INTERNATIONAL PROGRAMS

The Programs are described in Program Term Sheets that may be entered into by BU and MITAOE from time to time, any such Program appearing on such Program Term Sheet hereinafter referred to as a "Program."

2. FEES

2.1. Tuition and fees for each Program will be set forth on the Program Term Sheet. Tuition and other BU student fees shall hereinafter be referred to collectively as "the Program Fees."

2.2. Each student shall pay the Program Fees in full to BU no later than fifteen (15)

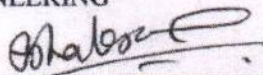

2. Appropriate course selections, including satisfying all course requirements and prerequisites as necessary.
3. Selects 2 courses (8 credits) in one term or 3 to 4 courses (12 – 16 credits) over both terms to comply with F-1 visa guidelines.
4. Proof of immunization against the following communicable diseases: measles, mumps, rubella (MMR), tetanus-diphtheria-pertussis (Tdap), hepatitis-B, varicella, and (bacterial) meningitis. Proof of the MMR must be submitted to Boston University Summer Term with the participant's application materials. Proof of the other required immunizations must be provided prior to the start of classes. Additional immunizations and a tuberculosis skin test may be required for on campus accommodation or depending on country of origin and tuberculosis history.

Five months prior to the Program start date, MITAOE will provide BU a tentative list of students or projected enrollments.

PROGRAM FEES:

Boston University will provide each participant studying full time in the Boston University Summer Term Program a grant in the amount of 15% of the then current tuition. Each participant studying full time in the Boston University Summer Term Program will pay the then current Boston University Summer Term tuition less the amount of any grant awarded, plus then current student fees in full to Boston University according to the then current Summer Term payment dates. Boston University's then current course withdrawal and refund policies will apply.

AGREEMENT FOR COOPERATION

BETWEEN
MIT ACADEMY OF ENGINEERING
AND
UNIVERSITY OF DAYTON

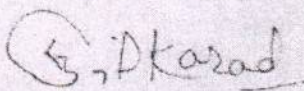

1. The MIT Academy of Engineering in Pune, India and University of Dayton, in desiring to develop academic exchange and cooperation in teaching and research for the advancement and dissemination of learning, agree as follows:
 - A. To allow and use their best endeavors to affect visits from one university to the other by members of the academic staff for the purpose of participating in joint teaching, joint research, joint conferences and joint cultural programs.
 - B. To offer admission from one university to the other to qualified students to undergraduate and graduate courses.
 - C. To encourage the exchange of scientific materials, publications and information.
 - D. To prepare, as necessary, additional working programs detailing specific forms and contents of cooperation.
2. The universities agree to provide exchange faculty members with proper academic status at the host institution, research facilities, access to university libraries, and other assistance and advice when necessary.
3. The universities acknowledge that all visits of staff and admissions of certified students will be subject to compliance with the entry and visa regulations of India and the United States, and the university requirements with respect to staff appointments and student admissions.
4. The universities understand that any additional financial arrangements will have to be negotiated and will depend on the availability of funds.
5. The universities agree to supply regularly to the other information and material about academic offerings and requirements for exchange students.

6. The Agreement shall remain in effect for an initial period of five years. Thereafter, except for any notice to terminate it, it shall be automatically renewed. However, it is understood that either party may end this agreement anytime by mutual consent or by six months notice.

Agreement for Cooperation
MIT Academy of Engineering
& University of Dayton

For this purpose, the responsible parties will be the Director, MIT Academy of Engineering and the Provost of University of Dayton.

MEMORANDUM OF UNDERSTANDING
BETWEEN
SALT LAKE COMMUNITY COLLEGE, USA
AND
MAEER's MIT GROUP OF INSTITUTES, PUNE, INDIA

Following discussions and the exchange of information between our two institutions, **Dr. Mangesh T. Karad, Secretary, MAEER's MIT Group of Institutes, Pune, India,** and **Dr. Rahul V. Karad, Vice President, MAEER's MIT Group of Institutes, Pune, India,** and **Dr. Denece Huftalin, President, Salt Lake Community College, USA,** agree that a formal memorandum of academic exchange between the two institutions will be signed.

This agreement is intended to promote cultural exchange and development of education and cooperation between **MAEER's MIT Group of Institutes, Pune, India,** and **Salt Lake Community College, USA.** Through friendly consultation in the principle of equity, both sides reach this agreement.

The academic exchange between **Salt Lake Community College, USA,** and the **MAEER's MIT Group of Institutes, Pune, India,** will focus on student exchange. We will also explore the possibility of faculty and staff exchanges. The goals of collaboration on academic activities contained in this agreement include the following:

- To improve international understanding.
- To increase individual educational opportunities.
- To enrich the educational environment of both universities.
- To provide both societies with more and better information about the other country.
- To enhance the development of joint educational and research projects.

1. Term of Conditions

To implement the goals expressed above, the following is mutually understood and agreed: This agreement will serve as a general framework for academic cooperation between the two Universities and is intended to facilitate the development of specific independent programs of Collaboration in the future. Details of any specific activities will be developed mutually. The Memorandum of Understanding may, from time to time, have addendums attached to it with regard to such activities.

2. Term of Agreement and Renewal

This Memorandum of Understanding is effective upon signing by both parties. It may be amended at any time by mutual consent and will remain in effect for a period of five years. It can be extended by mutual consent of both parties. In the event of major revision or cancellation of this agreement, the host institution will provide current participants with the opportunity to complete their approved program.

MEMORANDUM OF UNDERSTANDING FOR ACADEMIC CO-OPERATION
Between
MIT GROUP OF INSTITUTIONS, PUNE, INDIA
AND
TEL AVIV UNIVERSITY

PREAMBLE

MIT Group of Institutions ("MIT Group") and Tel Aviv University ("TAU") seek to expand scholarly ties, facilitate academic cooperation, increase educational opportunities, enrich the educational and research environment and promote international and inter-cultural understanding. Through this Memorandum of Understanding ("MOU"), both MIT Group and NUS agree to explore educational and scientific cooperation efforts between the two Institutions.

Throughout this MOU, the institution accepting visiting staff or students will be referred to as the **"Host Institution"**. The institution of origin of visiting staff or students will be referred to as the **"Home Institution"**.

This MOU establishes guidelines for possible collaboration between the Parties, but is not intended to create any specific commitment or obligation of either Party to the other. The specific terms and conditions of each collaboration program will be determined in a separate agreement, which will form an appendix to this MOU.

Possible areas of collaboration may include, but will not be limited to, the activities detailed below.

1. VISITING ACADEMIC STAFF

Either institution may invite faculty members of the other institution for the purpose of lecturing or consultation for a specified period of time, subject to the approval of the Home Institution.

Visiting staff shall be required to comply with the applicable rules and regulations of the Host Institution.

2. VISITING STUDENTS

Each institution may send students to the other institution in appropriate fields of study in order to participate in study or research programs. These programs will follow the educational system and regulations of the Host Institution. Visiting students shall be required to comply with the applicable rules and regulations of the Host Institution.

3. CO-OPERATIVE RESEARCH

Co-operative research is to be encouraged as individual scholars or departments establish contact and develop mutual interests. The terms and conditions of any such cooperative research project, including financial and intellectual property issues, will be determined in a separate agreement between the Parties.

4. CO-ORDINATION OF THE COLLABORATION

Each institution shall designate a Liaison Officer to develop and co-ordinate the specific agreed upon activities, under this MOU.

The Liaison office for the TAU will be: Prof. Yaron Oz, Rector

E-mail: Rector@tauex.tau.ac.il Telephone: +(972) 3-640-8695

The Liaison office for MIT Group will be: Dr. Sunil Karad, Executive Director

E-mail: sunilkarad@mitpune.com Telephone: +(91) 20 254 509 992

5. TERM, TERMINATION AND AMENDMENT

This MOU for co-operation becomes effective on the date of execution, and will remain in effect for three (3) years from the date hereof, unless terminated by either Party, for any reason, by a written notice given three months in advance. The MOU may be amended by a written instrument signed by both Parties.

Signed on behalf of

MIT Group

MEMORANDUM OF UNDERSTANDING FOR ACADEMIC CO-OPERATION
Between
MIT GROUP OF INSTITUTIONS, PUNE, INDIA
AND
BEN-GURION UNIVERSITY OF NEGEV

PREAMBLE

MIT Group of Institutions ("MIT Group") and Ben-Gurion University of Negev ("BGU") seek to expand scholarly ties, facilitate academic cooperation, increase educational opportunities, enrich the educational and research environment and promote international and inter-cultural understanding. Through this Memorandum of Understanding ("MOU"), both MIT Group and NUS agree to explore educational and scientific cooperation efforts between the two Institutions.

Throughout this MOU, the institution accepting visiting staff or students will be referred to as the "**Host Institution**". The institution of origin of visiting staff or students will be referred to as the "**Home Institution**".

This MOU establishes guidelines for possible collaboration between the Parties, but is not intended to create any specific commitment or obligation of either Party to the other. The specific terms and conditions of each collaboration program will be determined in a separate agreement, which will form an appendix to this MOU.

Possible areas of collaboration may include, but will not be limited to, the activities detailed below.

1. VISITING ACADEMIC STAFF

Either institution may invite faculty members of the other institution for the purpose of lecturing or consultation for a specified period of time, subject to the approval of the Home Institution.

Visiting staff shall be required to comply with the applicable rules and regulations of the Host Institution.

2. VISITING STUDENTS

Each institution may send students to the other institution in appropriate fields of study in order to participate in study or research programs. These programs will follow the educational system and regulations of the Host Institution. Visiting students shall be required to comply with the applicable rules and regulations of the Host Institution.

3. CO-OPERATIVE RESEARCH

Co-operative research is to be encouraged as individual scholars or departments establish contact and develop mutual interests. The terms and conditions of any such cooperative research project, including financial and intellectual property issues, will be determined in a separate agreement between the Parties.

4. CO-ORDINATION OF THE COLLABORATION

Each institution shall designate a Liaison Officer to develop and co-ordinate the specific agreed upon activities, under this MOU.

**UNIVERSITY OF ABERDEEN
MEMORANDUM OF UNDERSTANDING**

This Memorandum of Understanding ('MoU') is by and between the

University Court of the University of Aberdeen, a charity registered in Scotland, No SC013683,
University Office, King's College, Regent Walk, Aberdeen, AB24 3FX, United Kingdom

And MIT ACADEMY OF ENGINEERING [MITAOE], Alandi (D), Pune, 412105, India

and who may, from time to time, be hereinafter referred to individually as the 'Party' or collectively as the 'Parties'.

WHEREAS, the Parties are mutually interested in establishing collaboration on academic and research related development activities;

WHEREAS, the Parties have discussed the furtherance of these interests and now desire to record their mutual understanding in this regard;

NOW THEREFORE the Parties agree to enter into this MoU as follows:

ARTICLE I: PURPOSE AND PRINCIPLES OF COLLABORATION

The purpose of this MoU is solely to detail the intentions of both Parties in order for them to evaluate the possibility of developing collaborations in the activities detailed under Articles II and III hereunder. Such activities shall be further developed and materialised only under a separate written legally binding agreement as detailed under Article IV.

ARTICLE II: AREAS OF COLLABORATION

The primary areas of collaboration are in the fields of Engineering Science Education (Undergraduate and Postgraduate Teaching and Research).

Other areas can be added by written agreement of the Parties which is only valid by signature of an authorised signatory of each of the Parties.

ARTICLE III: METHODS OF COLLABORATION

The Parties shall jointly develop activities to enhance their academic and research capabilities for the benefit of both Parties. Each activity will comprise of:

1. Encouragement of exchange of academic colleagues and of students;

Inteum reference/Memorandum of Understanding/

Page 1 of 3

2. Development of joint, comparative, research projects, technical services, training, consultancy and related activities;
3. Pursuit of funding in order to enable such activities.

(hereinafter referred to individually as 'Activity' and collectively as 'Activities')

Both Parties will actively pursue funding in order to enable the above Activities.

ARTICLE IV: IMPLEMENTATION

The specific Activities shall be further developed and materialised only under a separate written legally binding agreement for each Activity when an Activity will be organised jointly by the Parties.

Both Parties will determine the feasibility of each Activity according to their requirements and enter into a separate written agreement prior to its implementation, such agreement shall consist of the legal obligations and responsibilities of both the Parties relating to the management and organisation of the Activity, including but not restricted to:

- the start date, duration and end date of the Activity;
- fees, maintenance and expenses, where applicable;
- the policies and procedures relating to admission, registration and statutory reporting;
- the policies and procedures relating to academic standards, and for monitoring, assessment, examination and award;
- the facilities and academic and pastoral support available, including the avenues for appeals and complaints;
- the monitoring, review, ownership, management and exploitation of Intellectual Property;
- the surviving obligations of the Parties following termination of the Activity.

Each Party will nominate a representative to supervise that Party's involvement in an Activity. The name and contact details of said representatives will be issued to both Parties.

ARTICLE V: NON COMMITMENT

1. This MoU does not commit either Party to any financial expenditure. Activities will be initiated only if the necessary support funding has been guaranteed and a separate written legally binding agreement has been entered into by both Parties.
2. No student is allowed to enter into any collaborative programme solely on the basis of this MoU.
3. This MoU is not intended to create a contractual relationship between the Parties, nor shall the terms of the same be considered legally binding upon the Parties.

ARTICLE VI: DURATION AND TERMINATION

1. Either Party may terminate this MoU in giving not less than sixty (60) days' notice in writing of termination.
2. This MoU shall continue in force from the last date of signature of this MoU and effect for a period of three (3) years, unless terminated earlier under Article VI (1).

ARTICLE VII: LANGUAGE

This MoU is drawn up in English which language shall govern all documents, notices and meetings for its application and/or extension or in any other way relative thereto.
