Valid critical feedback from students, when properly given, can make a sea difference. We consider it blessed to receive feedback from all and especially from our students, as they are the driving force of our institution. Student feedback and evaluation of provision is an essential part of the quality assurance process. It is a crucial factor in ensuring and / or maintaining student satisfaction, who are our end customers in the process.

The management has through its governance made student centric policies. An apt testimony to this are the facts like, trained and helpful administrative staff members and the college office working hours which begins from 8.30 a.m. and ends at 4.50 p.m. In this way we try to be accessible to them and extend professional advice as and when required.

We treat the student's feedback not just as a mere exercise but a tool for monitoring and evaluating the policy effectiveness. The feedback is taken twice in the academic year and these are on aspects like faculty and services.

It is ensured that students get the opportunity to express themselves freely and hence the forms are filled incognito. The feedback once received is analyzed and the areas of improvement are identified. This helps to give credibility to the process without making the feedback a tool for personal vendetta.

The growing trends of 'customer sovereignty' and increased education on student rights and entitlements means that any faculty needs to know what their 'customers' want and need. Although the University approves a majority of the faculty members, it is imperative that the actual approval of a faculty lies with the students. Students grade their teachers on aspects like subject knowledge, teaching skills, inter-personal and communication skills, dedication, knowledge of emerging trends etc. The objective of the faculty feedback is not aimed at criticism but to help them to develop and be more active in their engagements. The faculty feedback is based on the collective summary and once the faculty ratings are ascertained, management ensures that proper trainings and developments are carried out for them.

For further ease of students, suggestion boxes, registers are kept at various locations like library, student's section, Internet center and the various departments. These sources of feedback are also part of the ISO 9001-2008 QMS of the institution. The Dean & Associate Dean of Academics of the institute collects student's feedback on a standard feedback online form. This exercise enables and encourages a student centric approach of management and education.

Student Feedback Mechanism

Student Academic feedback is the practice of giving opinion about the performance of their instructor against a known standard. The information comes from a variety of sources including peers, teachers and examiners. It is important for instructors to know how well they are doing as they teach. This is because the knowledge that they are transforming gives students a sense of achievement which motivates them to learn more.

Feedback is collected for all courses. The following parameters are specified while taking the feedback.

- a) The instructor's knowledge and his performance
- b) The course contents and its delivery
- c) Activity based learning
- d) Use of ICT

The mentioned parameters help the authorities to take necessary actions and corrective measures. The feedback system is modified and it is now flexible, open minded and giving accurate information on all the defined parameters.

Activity based learning: Activity-based learning or ABL describes a range of pedagogical approaches to teaching. Its core premises include the requirement that learning should be based on doing some hands-on experiments and activities. The instructors deliver their sessions using many ABL methods like flipped classroom, Think-Pair-Share and so on.

Use of ICT: Information and Communications Technology (ICT) is an extended term for information technology (IT) which stresses the role of unified communications. They are defined, for the purposes of this primer, as a "diverse set of technological tools and resources used to communicate, and to create, disseminate, store, and manage information." We are using many ICTs like Moodle, Canvas, Edmodo to enhance teaching learning pedagogy.

Out Class Engagement: In education, out class engagement refers to the degree of attention, curiosity, interest, optimism, and passion that students show when they are learning or being taught, which extends to the level of motivation they have to learn and progress in their education. The instructors ensure that students learn many new things using this activity.

Misunderstandings and difficulties sometimes occur in a work setting. While most of these situations can be handled in the department or unit, a few require special attention.

Feedback and grievance are like two faces of the same coin. A grievance is a formal statement of complaint, generally against an authority figure. It is resentment strong enough to justify retaliation, "holding a grudge", or "settling a score".

It is imperative that in an institute like MIT Academy of Engineering or for that matter any other, grievances will be there. All students and employees are encouraged to raise their grievance without fear of reprimand as we strongly believe such expressions gives us an opportunity to better our processes and make it more strong student centered and staff friendly. The various committees formed within the institute are Grievance Redressal committee, Grievance committee for women, Anti ragging committee and Disciplinary committee. At MIT Academy of Engineering, we follow a documented procedure for grievance redressal. The head of the institute and the head of the departments are all easily accessible at office hours and otherwise to ensure speedy redressal of grievance. The grievant has the right to go to the next individual in hierarchy in case the solution offered is not satisfying. We call this our 4 steps grievance redressal mechanism.

A proper hearing and enquiry without any pre-disposed bias and favor is assured to all complainants. All grievances must be in writing.

GRIEVANCE DEFINITION

Any complaint by an employee / student concerning any aspect of the faculty / services /employment unless such expectations include an allegation of prohibited discrimination or other illegality is a grievance.

APPEAL PROCEDURE

First Level – The employee attempts to remedy the problem through consultation with his / her immediate supervisor. If however the problem pertains to that with the immediate supervisor then in such cases one may proceed directly to the second level.

Second Level – The second level includes the HOD. If however the problem pertains to the HOD then in such cases one may proceed directly to the third level.

Third Level – If the grievance cannot be resolved satisfactorily, the employee may present his / her grievance to the / Student section Head (SSH) or Human Resource Executive (HRE) as the case may be.

Fourth Level – If the grievance cannot be resolved at the third level the HRE / SSH arranges for an impartial review by the coordinator or members appointed by him. The coordinator appoints members within ten working days after written request. This evidentiary hearing is informal in nature and the employee selects an advisor to assist and advise the grievant.

The recommendations of the members are forwarded to the coordinator for final decision. If the matter is not resolved to the satisfaction of the employee, she / he may file an application for review, in writing, to the

coordinator through the SSH/HRE within 20 calendar days following the written decision of the coordinator. This appeal states the decision complained of and redress desired. Currently Following committees are functioning in the institute.

(भारत सरकार का एक सांविधिक निकाय) (A STATUTORY BODY OF THE GOVT. OF INDIA)

No. 1-101/DPG/AICTE/Ombudsman/2012

July 9, 2012

To

All Registrars of Technological/Affiliating Universities
All Directors/Principals of Technical Institutions

Subject: AICTE Regulation for Establishment of a Grievance Redressal Committee in each technical institution approved by the AICTE; and (2) Appointment of Ombudsman, by the Technological Universities.

Sir,

In exercise of the powers conferred upon it under clause 1 of section 23 of the AICTE Act, 1987 (52 of 1987), All India Council for Technical Education (AICTE) has framed the AICTE (Establishment of Mechanism for Grievance Redressal) Regulations, 2012 and has notified those Regulations vide notification F.No. 37-3/Legal/2012 dated 25.05.2012. A copy of the Regulations is enclosed for necessary action at your end and which is also available on the AICTE web portal www.aicte-india.org>Bureau>Administration>Rules and Regulations.

These Regulations provide for (1) Establishment of a Grievance Redressal Committee in each technical institution approved by the AICTE; and (2) Appointment of Ombudsman, (as per clause 3 of the above said Regulation) by all the affiliating Technological Universities for the purpose of redressal of grievances of the students, parents and others in respect of all AICTE approved Institutions from the current academic year.

As per Clause 5 of the above Regulation, each technical Institution shall establish a registry, headed by an employee of the concerned Institution to receive the grievance, where an aggrieved student or person shall send their representation for redressal of their grievance.

The procedure as defined in these regulations vide Clause 5 shall be followed strictly by each technical Institutions. They shall publish detailed information, including name, addresses etc. regarding constitution of the Grievance Redressal Committee, the OMBUDSMAN and its registry etc., in their website (public domain), prospectus and Notice Boards for wide publicity.

All aggrieved students, their parents & others may thenceforth approach to the Grievance Redressal Committee of the Institution in the first instance; and if they are not satisfied with the decision of the committee, they may send their appeals to the "OMBUDSMAN" directly. The 'OMBUDSMAN' shall exercise its powers to hear those grievances and ensure its disposal within one month of the receipt for speedy redress of grievances. On conclusion of the proceeding, the Ombudsman shall pass such order, with reasons for such order, as may be deemed fit to redress the grievance and provide such relief as may be desirable to the effected party. All technical Institutions shall comply with the order of the Ombudsman.

Any order of the Ombudsman not complied with by the Institution and any willfull or repeatedly fails to comply with orders of the Ombudsman; AICTE may proceed to take action against such Institutions as per Clause 7 of the above said Regulations.

Accordingly, all AICTE Approved Institutions/Technological Universities shall comply with the above Regulations.

Yours faithfully,

A handwritten signature in black ink, appearing to be 'Dr. K.P. Isaac', written over a horizontal line.

(Dr. K.P. Isaac)
Member Secretary

1. POWERS AND FUNCTIONS OF OMBUDSMAN:

- (1) The Ombudsman shall exercise its powers to hear any grievance-
 - (i) of any student against the university or institution affiliated to it or an institute, as the case may be, after the student has availed of remedies available in such institution for redressal of grievance; and
 - (ii) of any applicant for admission as student to such institution.
- (2) No application for revaluation or remarking of answer sheets shall be entertained by the ombudsman unless specific irregularity materially affecting the outcome or specific instance of discrimination is indicated.
- (3) The Ombudsman shall have power to seek the assistance of any person belonging to the Scheduled Caste, Scheduled Tribe, Socially and economically backward classes (SEBC) minority or disabled category, as for hearing complaints of alleged discrimination.

2. PROCEDURE IN REDRESSAL OF GRIEVANCES:

- (1) Each Technical institution shall establish a registry, headed by an employee of the institute of appropriate rank as the ombudsman may decide, where an aggrieved student or person may make an applicant seeking redressal of grievance.
- (2) The address of the registry so established shall be published widely including on the notice board and prospectus placed on the website of the institution.
- (3) On receipt of an application by the registry, the employee-in-charge shall inform the ombudsman and shall immediately provide a copy to the institution for furnishing its reply within seven days.
- (4) The Ombudsman shall fix a date for hearing the complaint which shall be communicated to the institute and the aggrieved person either in writing or electronically, as may be feasible.
- (5) An aggrieved person may appear either in person or represented by such person as may be authorized to present his case.
- (6) The ombudsman shall be guided by principles of natural justice while hearing the grievance.
- (7) The ombudsman shall ensure disposal of every application within one month of receipt for speedy redress of grievance.
- (8) The technical institution shall be expected to co-operate with the ombudsman in redress of grievances and failure to do so may be reported by the ombudsman to AICTE.

- (9) On the conclusion of proceedings, the ombudsman shall pass such order, with reasons for such order, as may be deemed fit to redress the grievance and provide such relief as may be desirable to the affected party at issue.
- (10) Every order under clause (9), under the signature of the ombudsman, shall be provided to the aggrieved person and the institution and shall be placed on the website of the technical institution.
- (11) The technical institution shall comply with the order of the ombudsman.
- (12) Any order of the ombudsman not complied with by the institution shall be reported to the AICTE for appropriate action as deemed fit by the council.
- (13) A complaint shall be filed by the aggrieved student, his/her parent or with a special permission from the ombudsman, by any other person.
- (14) In case of any false/frivolous complaint, the ombudsman may order appropriate action against the complaint.
- (15) The principles and procedures outline above shall apply to the working of the grievance redressal committee in the Technical institute except
 - a. In case of lack of unanimity, the grievance committee shall take decisions by majority;
 - b. The grievance committee shall communicate its decisions within ten days of receipt of complaint.

3. The university and the technical institution concerned shall provide detailed information regarding provisions of grievance redressal mechanism, ombudsman and the duties and rights of students in their prospectus prominently.

4. CONSEQUENCES OF NON-COMPLIANCE:

The council shall in respect of any technical institution that willfully contravenes or repeatedly fails to comply with orders of the ombudsman, may proceed to take one or more of the following actions, namely;

- a) Withdraw the approval granted to the technical institution or any other action or penalty as provided under the all India Council for Technical Education (grant of Approvals for technical institutions) regulation, 2010 as modified or amended by the council from time to time;
- b) Withdrawal of declaration of fitness or entitlement to receive grants or financial assistance from the council;

- c) Withholding any grant allocated to the technical institution;
- d) Declaring the technical institution ineligible for consideration for any assistance under any of the general or special assistance programs of the council;
- e) Informing the general public, including potential candidates for admission, through a notice displayed prominently in the newspapers or other suitable media and posted on the website/ web portal of the council, declaring that the technical institution does not possess the minimum standards for redressal of grievances;
- f) Recommend to the affiliating university for withdrawal of affiliation;
- g) Recommend to the appropriate state government for withdrawal of status as university in case of technical university established or incorporated under a state act;
- h) Taking such other action within its powers as the council may deem fit and impose such other penalties as may be provided in the act for such duration of time as the technical institution complies with the provisions of these regulations ;
- i) Provided that no action shall be taken by AICTE under this clause unless the technical institution has been asked to explain its position and opportunity of being heard has been provided to it.

5. These regulations shall stand impliedly repealed on coming into force of the prohibition of unfair practices in technical, medical educational institutions and universities act.

PURIFIED WATER FACILITY

In the college location, the water is having high Total Dissolved Solids (TDS) and is not potable for consumption with capacity of 2000 litre / hour. It has to be treated before supply for drinking. Water treatment plant with reverse osmosis technology is available to provide quality drinking water. One unit of Reverse Osmosis water purifier system (RO-20-6S-3H) have been purchased and installed in college campus near boys hostel locations for the use of faculty, staff and students. The water treatment plant provides safe drinking water at every tap on the campus. A high level of maintenance attention and regular testing ensure the quality of the water. Water treatment plant with reverse osmosis technology is available to provide quality drinking water.

Reverse Osmosis Plant Facility:

The Reverse Osmosis Plant installed in the college caters to the drinking water needs of all the Students, faculty, supporting Staff and the Visitors. The raw water with an average Total Dissolved Solids [TDS] of 750-1000 ppm is treated to reduce the TDS content to less than 100 ppm , the generally acceptable upper limit of the TDS

Three stages in Reverse Osmosis Plant

- ☐ Stage 1: Pretreatment
- ☐ Stage 2: Membrane filtration
- ☐ Stage 3: Post treatment

The maximum capacity of the plant is 2000 litres per hour. The utilized capacity is 1000 lit/hr potable water. This water is pure, tasty and hygienic rendering it highly suitable for human consumption.

The reject water from the plant is used for gardening and washing purposes.

This plant not only facilitates the supply of safe drinking water but also obviates the otherwise involved huge expenditure for procuring drinking water for the large number of people in the campus.

Now the institution can be liberal in the provision of our own made RO water.

CENTRAL LIBRARY

MIT AOE has a spacious central library of 795 sq. meters. The Library has a conducive atmosphere and is located on the second floor of the Takshila building. It has an air-conditioned and well illuminated reading hall that can accommodate around 250 students at a time. It has a journal section, reference section, circulation section, stack section, acquisition section, technical section staff room and office for the librarian.

MITAOE library is the first ISO certified engineering library in Pune, besides this it is also the first engineering college in Pune which has implemented barcode technology for circulation.

Central library follows an open access system that allows users a direct access to the library collection. In order to provide optimum service to the readers, the library remains open throughout the year except on National holiday and Diwali holidays. Central Library is physically accessible from 8.30 a.m. to 10.00 p.m. from Monday to Friday and on Saturday, Sunday & other holiday from 9.00 a.m. to 5.00 p.m.

The library has a strong collection in terms of books and journals, with 40063 books, 150 print journals, e-journals, 5114 CD's, 183 floppies, 962 final year project CD's and 838 Bound volumes on various subjects. Central Library has subscribed online e-journals and e-books which include IEEE, Science Direct & DELNET database.

Central Library has developed a digital library; through this library user can access Articles, Old Question paper, University syllabus, CD-ROM, Project Reports, e-books related to the syllabus, general reading and Competitive exam books, Audio Books, IGNOU video etc. Apart from this we have downloaded all the web and video lectures from the NPTEL website.

The library maintains a separate reference collection consisting of encyclopedias, dictionaries, handbooks, data sheets, CD-ROMs, etc. Library has a collection of 3 major Encyclopedias.

- Encyclopedia Britannica
- McGraw Hill Encyclopedia of Science and Technology
- Encyclopedia of Chemical technology Krik – Othmer

Central Library provides 5-7 books for a period of 15 days to the students depending on the borrower category. Apart from this, library also provide 5 to 6 books, under the book bank scheme for a period of one semester to all first year students and incase of SY, TY & BE students, we provide book bank facility to SC, students on first come first serve basis and also to the first three toppers in the branch.

Central Library uses SLIM21 software which is an integrated multi-user, multi-tasking library management software that supports all in-house operations. Besides that, we have barcode software also for generating barcode. The entire database of central library can

now be accessed through WEB OPAC on the intranet as well as by its users on the internet anywhere anytime and on any device.

Central library offers a vast range of services like: Reference Service, Users Orientation Programs, Reading Hall copy service, overnight issue, Book Bank Books, New Arrivals, Paper Clipping facility, Accessing CD-ROMs, Resource Sharing with other libraries, Web OPAC, Book Reservation facility, Old question paper bank, Digital Library, Internet facility for searching database & online e-journals, information regarding seminar, paper presentation, conference alert and reprographic service.

To provide optimal services to the reader, library has subscribed institutional membership of various other information centers in and around Pune like British Council, ARAI, DELNET, and Savitribai Phule Pune University.

Apart from the library services, library carry out some activities to increase the users interest towards library utilization.

- Affix weekly top five active users list on the notice boards.
- Affix top 10 frequently required books list.
- Display guidelines, shelf list and information boards in the library for better accessibility of the library resources.
- Conduct user orientation program for Central library services and NPTEL Awareness Program
- Affix quotes to motivate readers.
- SMS facility to congratulate top five students and to collect reserved books and also send reminder to defaulter student.
- Email Reminder Facility (Advance reminder, that day reminder, First reminder, Second reminder and Third reminder) to the users so as to return the books on or before time to avoid overdue.

सावित्रीबाई फुले पुणे विद्यापीठ

(पूर्वीचे पुणे विद्यापीठ)

परिपत्रक क्र. १५७/२०१८

विषय : विद्यार्थी सुरक्षा विमा, विद्यार्थी कल्याण निधी, विद्यार्थी आरोग्य सेवा योजना, आपत्कालिन निधी, विद्यापीठ क्रीडा मंडळ व शारीरिक शिक्षण मंडळ निधी, नोंदणी शुल्क, संगणक शुल्क व विकास निधीतील विद्यापीठ हिस्सा ऑनलाईन पद्धतीने पाठविण्याबाबत.

या परिपत्रकाद्वारे सर्व संबंधितांना कळविण्यात येते की, शैक्षणिक वर्ष २०१८-१९ मधील आपल्या महाविद्यालयातील/मान्यताप्राप्त संस्थेतील विविध अभ्यासक्रमासाठी प्रवेश घेतलेल्या विद्यार्थ्यांच्या शुल्कातील विद्यापीठाचा हिस्सा ऑनलाईन पद्धतीने चलनाद्वारे दि. ३० सप्टेंबर २०१८ पूर्वी विद्यापीठास पाठविण्यात यावा. विद्यापीठ हिस्सा पाठविताना, खालील सूचना विचारात घ्याव्यात.

- १) सर्व विद्याशाखेतील सर्व पदवी, पदविका व पदव्युत्तर अभ्यासक्रमासाठी प्रवेश घेतलेल्या विद्यार्थ्यांच्या शुल्कामधील विद्यापीठ हिस्सा शेवटी दिलेल्या शुल्क तक्त्यानुसार पाठवावा.
- २) ऑनलाईन प्रो-रेटा व इतर निधी संबंधी माहिती भरण्याची ऑनलाईन प्रक्रिया बी.ओ.डी. पोर्टल अंतर्गत दिली आहे. BOD Login मध्ये 'प्रो-रेटा ऑनलाईन' हि लिंक वापरून सदरची माहिती भरावयाची आहे.
- ३) ऑनलाईन पद्धतीमध्ये सर्व विभागासाठी एकत्रित चलन काढावयाचे आहे. चलनाची विद्यापीठ प्रत जमा करताना मूळ प्रत (बँक शिक्का) असलेली शैक्षणिक प्रवेश विभागाच्या ऑनलाईन रिपोर्टसह शैक्षणिक प्रवेश विभाग येथे जमा करावी. तसेच शिक्का असलेल्या चलनाच्या छायांकित प्रती विद्यापीठ क्रीडा मंडळ व विद्यार्थी कल्याण मंडळ येथे त्या त्या विभागाच्या ऑनलाईन रिपोर्टसह जमा कराव्यात. चलन करताना शक्यतो सर्व अभ्यासक्रमाचे मिळून एकच चलन काढावे. प्रत्येक अभ्यासक्रमाचे वेगवेगळे चलन काढण्याची आवश्यकता नाही.

विशेष सूचना :

- १) विविध अभ्यासक्रमासाठी प्रवेश घेतलेल्या विद्यार्थ्यांच्या शुल्कातील विद्यापीठाचा हिस्सा आदेश क्रमांक PGS/542 dt. 17.2.2011 नुसार विद्यापीठास पाठवायचा आहे.
- २) व्यावसायिक अभ्यासक्रमाचे शुल्क व्यावसायिक दरानुसार पाठवावे.
- ३) परदेशी/सार्क देशातील विद्यार्थ्यांच्या शुल्कातील विद्यापीठाचा हिस्सा संदर्भ क्र. आयएससी/१०५० व १०५०-ए, दि.९ जून, २००८ नुसार पाठवावा.
- ४) नियमित प्रवेशित प्रती विद्यार्थ्यांमागे रु. ९/- प्रमाणे स्थानिक विभागीय क्रीडा समितीचा (उदा. पुणे शहर/अहमदनगर/पुणे जिल्हा/नाशिक) देय असलेला प्रो-रेटा संबंधित विभागीय समितीकडे पाठविणे आवश्यक आहे. सदर प्रो-रेटा न भरल्यास आपल्या महाविद्यालयातील खेळाडूंना आंतरमहाविद्यालयीन स्पर्धेत सहभाग घेऊ दिला जाणार नाही. तसेच विद्यापीठ अधिकार मंडळाने प्रो-रेटा/शुल्काबाबत घेतलेल्या निर्णयांच्या बदलांची नोंद महाविद्यालयांना संलग्नित संस्थांना कळविण्यात येईल.
(टिप - वरील बाबतचे विद्यापीठ क्रीडा व शारीरिक शिक्षण मंडळ यांचे जावक पत्र क्र. विक्रीम/प्रोरेटा/वि.स्था.क्री.स/३.१/३२७ दि. २१ ऑगस्ट, २०१८ नुसार कार्यवाही करावी)
- ५) मागील वर्षाचा वरील निधीतील हिस्सा पाठविला नसल्यास तो संबंधित विभागाकडे धनाकर्षासह स्वतंत्रपणे पाठवावा.
