Alandi (D), Pune - 412105	
EXAMINATION SECTION	

Date: 10 / 09 / 2024

Maximum Period for completion of BTech Degree and Master's Degree

As per the UGC and SPPU guidelines

1. Normally the student is expected to complete his / her programme within the minimum period as laid down under the regulations of the University which is in conformity with the UGC regulations for award of degree.

2. A student who, for whatever reasons, is not able to complete the programme within the normal period or duration prescribed for the programme, may be allowed two years beyond the normal period to clear the backlog to be eligible for the degree.

The general formula is

Time Span = $N+2$ years for completion of degree

Where N stands for the minimum or normal duration prescribed for completion of programme.

3. As per a recent circular from SPPU - students admitted to First year in the AY 2018-19 - will be allowed a last chance to clear all their courses in the academic year 2024-25.

This implies that all students admitted to FY in 2018 will have to complete their BTech degree on or before May 2025.

All the students are expected to note the same.
