EXAMINATION SECTION	

**Grant of Temporary Admission Facilities to Students of All Branches for the Academic Year 2025–26 as a Special Case**

**Date: 21/08/2025**

As per the *SPPU Pune Circular No. 208/2025* dated **14/08/2025** and the in-line decision of the Academic Council of MIT Academy of Engineering, it has been decided to allow students of all academic programs, who failed to secure admission to the Third-Year/Final-Year due to backlogs in the First/Second Year respectively, to avail the facility of *temporary admission* as a **special case** for the Academic Year 2025–26. The conditions for availing this facility are as follows:

**1. Eligibility:**

- Students who failed in the *First-Year examinations* and therefore could not proceed to *Third Year* will be granted **temporary admission to Third Year**.
- Students who failed in the *Second-Year examinations* and therefore could not proceed to *Final Year* will be granted **temporary admission to Final Year**.

**2. Backlog Clearance:**

- Such students must successfully clear their pending courses in the *special backlog examination* scheduled in **October/November 2025**.
- Students must complete all backlogs before appearing for the *End Semester Examination* of the promoted class.
- Only upon successful clearance of backlogs will the student be eligible for the **Third-Year/Final-Year Odd Semester Examinations in December 2025**.

**3. Automatic Cancellation:**

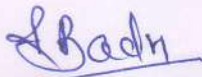

- If the backlog courses of First/Second Year are not cleared in the October/November 2025 examination, the temporary admission shall stand **automatically cancelled** as per university rules.

4. **Academic Requirements:**

- Students availing this facility must fulfil all requirements of *attendance*, *internal assessments*, *practicals*, and other prescribed academic components during the Academic Year 2025–26.

5. **Undertaking:**

- Every eligible student must submit an **undertaking form** in the prescribed format (attached to this notice) to avail this facility.
