**A**fter days of silent corridors and empty classrooms, MITAoE warmly welcomed all of its students to campus. We were overjoyed and happy to see the premises buzzing with laughter and chatter. The tremendous efforts and preparation put into making college re-entry safe and welcoming is a credit to all staff's care and commitment. The goal was to normalise the college day, have students reacclimate to the building, and reengage positive ties with other students and staff, all of which are critical for successful learning and growth moving forward.

Despite the masks, cohorts, handwashing, directional flow in halls, and physical distancing, this appears to have been a success. As students arrived ready for the new school year today, it was quite great to see glowing eyes peering through the tops of masks. Thank you to all parents and guardians who assisted in preparing your children for the first day of school; your efforts were crucial in making today a success.

# WELCOME STUDENTS

# Students' Reaction

---

**Sagar Chavan** - College life is something a student dreams of since high school, previous two years had been a nightmare and there were no chances of college reopening since I took admission in my graduation program at MIT. However, things got better and we are back to normal life not completely but to an extent. I was more than happy to know I will finally attend lectures in a classroom, make friends, be part of events and clubs.

**Sujit Wandre** - Now that we are physically present on campus it is like living a dream we all were eagerly waiting for. Starting college online was sad and the pandemic never gave us a clear vision of when the offline college would start.

**Gopal Badge** - It was sad starting college online and no one was aware when offline classes would start. We missed many occasions that would have been fun on campus. However, now that college is open in offline mode we are more than happy making friends.

---	---	---

To cope with the updated technology and meet the market standards MIT, Pune has inculcated a mix of both core courses and interdisciplinary courses in their syllabus. One needs to have all the skills required to face the challenges of the outside world.

Internship & Placement at **Vodafone Idea**

**MIT** | Academy of Engineering  
(An Autonomous Institute Affiliated to Savitribai Phule Pune University)

*Congratulations*

**Rutvik Minde**  
B.Tech Electronics  
2021-2022

to the Student Getting Selected for Semester Long Internship & Job Placement in **Vodafone Idea** Company offer **4.50 LPA** for his Job Placement.

MITAOE wishes them a great career ahead!

Internship & Placement at **NICE Software**

**MIT** | Academy of Engineering  
(An Autonomous Institute Affiliated to Savitribai Phule Pune University)

*Congratulations*

**Payal Warade**  
B.Tech Computer.  
2021-2022

**Gajanan Khande**  
B.Tech Computer.  
2021-2022

**Ishwari Sonparote**  
B.Tech Computer.  
2021-2022

to the Student Getting Selected for Semester Long Internship & Job Placement in **NICE Software** Company offer **15000/- Stipend** for Their Internship and **5.08 LPA** for Their Final Job Placement.

MITAOE wishes them a great career ahead!

# Achievements

Team Niyudhrath Karting secured the following achievements at the Edgeline Gokart Championship season 2 during January 2022:

- Best Aesthetics
- Runner up in design
- Runner up in cost
- Runner up in Business
- Overall AIR 2

Ms Pooja Malpani, alumna, has been awarded an Alexander Graham Bell Award scholarship worth Rs. 8 lakh to pursue her higher education.

## CERTIFICATE OF SOLAR AMBASSADOR

THIS CERTIFICATE IS AWARDED TO

**Rahul Kumar Patil**

for the promotion of solar rooftop in the State of Maharashtra from 5 June 2021 to 4 September 2021 as a SOLAR AMBASSADOR under I-SMART program.

Mr. R. K. Patil was awarded as "CERTIFICATE OF SOLAR AMBASSADOR" for the promotion of solar rooftop in the State of Maharashtra from 5/6/2021 to 4/9/2021 under I-SMART program.

Sanket Urane, Alumnus' photograph has been selected as the official postcard of the Rajasthan Government.

On the 12th of February 2022, Dr.P.P. Kothmire gave a discussion about his thesis, "Design Aspects of an Electrocoalescer," at the Research Conclave 2022 IIT Indore.

On the 12th of February 2022, Dr. P. P. Kothmire gave a discussion about his thesis, "Design Aspects of an Electrocoalescer," at the Research Conclave 2022 IIT Indore.

Dr. P. P. Kothmire have received the "Best Thesis Presentation Award, Research Conclave 2022 IIT Indore". The event was organized by the Academic council, IIT Indore during 10-12 February 2022. The event judges were Dr. Bhanu Pratap Dhamaniya, ISRO Bangalore, Dr. Rohit Singh, SNU, Noida, and Academic council IIT Indore.

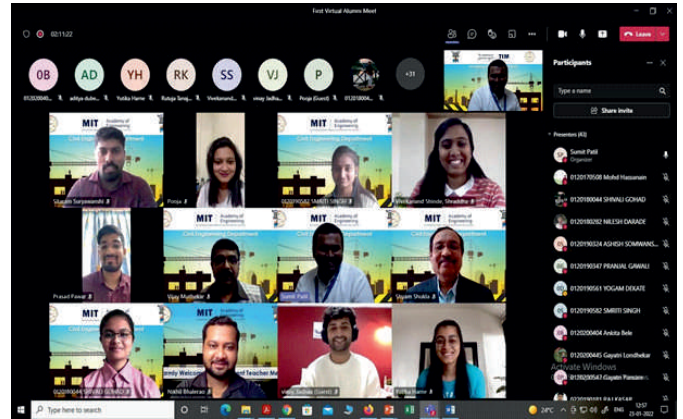

## Editorial Section

It is always a pleasure to get positive responses from everyone who happened to go through our newsletter "The Insider". In this month's publication of MITAOE's "The Insider", we are looking forward to . Further, we are looking forward to highlighting the various events, activities, and achievements bagged in by our students and faculty in the month of February 2022. The intention of "The Insider" is to reach out to our readers to provide information about the institute, and we hope our readers find the same useful and informative. We would also like to show our gratitude to our faculty and staff members for all their input in this newsletter. Any suggestions, feedback that might help us improve are welcome to reach us at: [marketing@mitaoe.ac.in](mailto:marketing@mitaoe.ac.in).

# Events Organised

MIT Academy of Engineering in collaboration with Transport and Travel Wing - Brahma Kumaris is presenting to you a webinar on "AWARENESS ON ROAD SAFETY" by Mr. Mukul Pal Chowdhury, Head - Training Academy, Skoda Auto Volkswagen India Pvt Ltd on 5/02/2022.

Organized an online session on Friday, 04th February 2022 related to 'Bentley Education Program' The session was delivered by 'Mr. Arun Kumar', Global Manager, Education Program, Bentley System, India.

The alumni meet has been conducted on 23rd January 2022 through an online platform. Total 42 alumni have attended this meeting and a few of them have shared their experiences with the students.

On February 9, 2022, Biopharmax India Pvt. Ltd. had an interaction with final-year Chemical and Mechanical Engineering students. The discussion was attended by the CEO, Head of HR, and Head of Process Validation. Biopharmax agreed to organise a job fair for our students.

On February 14, 2022, the Board of the School of Electrical Engineering held an Orphan Donation Camp in Snehwan, Koyali Village, Alandi.

Dr. P. R. Hatte participated in the 750 million Surya Namaskar challenge for 21 days organized on the auspicious occasion of the 75th Independence day organized under India-Azadi Ka Amrit Mahotsav.

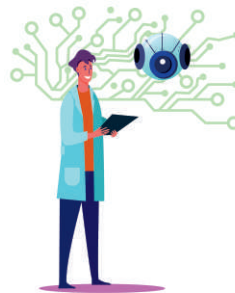

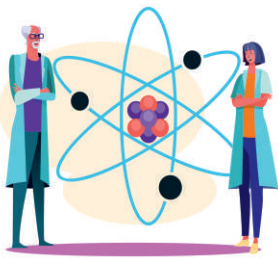

Dr. P. R. Hatte attended First Global Entrepreneurship Catalyst Symposium as a Speaker and Session Chair during 26 & 27 February 2022. This event was hosted by IIMR University, Jaipur in partnership with CGM Training and Consulting, South Africa.

# R&D

- Dr. M. P. Joshi and Dr. S. D. Barewar's research work "Impact of Industry Institute Interaction in Engineering Education to Enhance Employability – A Case Study" was published in Journal of Engineering Education Transformations, Volume 35, Special Issue, January 2022, eISSN 2394-1707.
- Dr. Kamble A. G. and Mr. A. S. Chandore presented a research paper titled "Selection of Raw Material Suppliers For Cold-Rolled Mild Steel Manufacturing Industry" at the "Advanced Engineering Optimization Through Intelligent Techniques (AEOTIT)" S.V. National Institute of Technology, Surat, Gujarat, India on January 28-30, 2022.
- Fulzele S. B., Khatke S. B., Kadam S. J., and Dr. Kamble A. G. presented a research paper titled "Application of Multi-Attribute Decision-Making Methods for Conveyor Selection" at the Advanced Engineering Optimization Through Intelligent Techniques (AEOTIT) conference held at S. V. National Institute of Technology in Surat, Gujarat, India on the 28th and 30th of January 2022.

- Dr. Avinash Kamble, Dr. Vishal Bhosale, and Mr. Vishal Naranje presented a paper at the International Symposium on Fluids and Thermal Engineering (FLUTE 2021), Department of Mechanical Engineering, Amity School of Engineering and Technology, Amity, 2021, titled "Selection of Blends of Ethanol with Petrol for SI Engine Using TOPSIS and VIKOR methods."
- Mayur Dhokale, Suedha Raut, Rehan, Harshal Piwal, Dr. Abhijeet Malge had presented a paper in "First International Conference on Computer- Science Electrical and Electronics Engineering-2022" at Annasaheb Dange College of Engineering & Technology, (ADCET) Ashta, Sangli on 14/02/2022

# Blogs

## How Much Chemistry Is There In Chemical Engineering?

Chemical Engineering is a multidisciplinary degree that includes courses in both chemistry and engineering. Only a few organisations and universities in India provide this degree. With a plethora of chances and not all of the chemistry, the MIT Academy of Engineering is one of these famous institutes in India that offers a Chemical Engineering degree.
