## **Memorandum of Understanding**

Memorandum of Understanding

Between

**Industrial Metal Powders (I) Pvt. Ltd., Pune, India**

and

**MIT Academy of Engineering, Alandi, Pune, India**

### **Background:**

This Memorandum of Understanding (MOU) sets for the terms and understanding between the Industrial Metal Powders (I) Pvt. Ltd., (IMP) and the MIT Academy of Engineering (MIT), to develop the products of Ferrous Fumarate, Sodium Ferrous EDTA, Removal of Manganese from electrolytic solution.

This is an agreement between "Party A", hereinafter called **IMP** and "Party B", hereinafter called **MIT**.

### **Objectives:**

The objective of this MOU is to express the willingness of both parties to engage in an effort to develop following products

1. Ferrous Fumarate, from IMP iron powder
2. Sodium Ferrous EDTA from IMP iron powder
3. Removal of Manganese from electrolytic solution

The above goals will be accomplished by undertaking the following activities:

### **General Terms of MOU**

1. **Duration of MOU:** This MOU shall be operational upon signing and will have an initial duration of one year from July 2016 to April 2017. All activities conducted before this date within the vision of the joint collaboration will be deemed to fall under this MOU.
2. **Coordination:** In order to carry out and fulfill the aims of this agreement, each party will appoint an appropriate person(s) to represent its organization and to coordinate the implementation of activities. IMP and MIT staff will meet regularly (preferably with two days' notice) to discuss progress and plan activities.
3. **Technical and Financial Support:** Addition to this MOU will be developed for specific technical and financial support activities IMP will give financial support of Rs. 90,000/- for chemical, equipment's etc. These Addendums will provide a detailed description of the role, responsibility, and financial contribution of each party. Work plans and reporting requirements will be clearly outlined in the Addendums.

CIN NO - U28920PN2006PTC128904

4. **Confidentiality:** Each party agrees that it shall not, at any time, after executing the activities of this MOU, disclose any information in relation to these activities or the affairs of business or method of carrying on the business of the other without consent of both parties.
5. **Termination of MOU:** The partnership covered by this MOU shall terminate upon completion of the agreed upon period. The agreement may also be terminated with a written one-month notice from either side. In the event of non-compliance or breach by one of the parties of the obligations binding upon it, the other party may terminate the agreement with immediate effect.
6. **The project coordinators from MITAoE are as below.**
  - a. Synthesis of Ferrous Fumarate: Dr. S. V. Taralkar
  - b. Synthesis of NaFe-EDTA: Dr. K. S. Konde
  - c. Removal of manganese from Electrolyte solution: Dr. M. B. Patil
  - d. Overall coordinator: Dr. S. V. Taralkar
7. **Each group of project will present the progress to IMP on monthly basis**

**“Tie up for Training Programs”  
with  
MIT Academy of Engg. Alandi, Pune**

उप महासंचालक (कार्य प्रशासन)  
के कार्यालय में प्राप्त  
क्र. 120 दि. 31/5/16

This Tie-up for Training Programs will be in force w.e.f. 1<sup>st</sup> of April 2016

between

Rashtriya Chemicals & Fertilizers Limited, Thal Unit, Alibag (hereinafter referred as RCF-Thal which expression shall where the context allows include any assignees of the company)

AND

MIT Academy of Engineering, Alandi, Pune (hereinafter referred to as MIT-AoE, Pune) which expression shall where the context allows include any assignees of the academy)

MIT-AoE, Pune conducts undergraduate degree course in Chemical Engineering.

Whereas one of the main activity in MIT-AoE, Pune is to provide knowledge in terms of training in the field of Chemical Engg, Unit Operations, Unit Process etc. disciplines with a special focus on Overview, General Introduction, Process Operation, Trouble Shooting and Equipment details in the process plants to all its students.

Whereas RCF-Tahl has requisite facilities and infrastructure to impart on site/in plant training as a part of the training curriculum of the course conducted by MIT AoE, Pune to the students/participants and also conduct need based training for its clients.

Whereas MIT-AOE, Pune requested RCF to conduct training for one batch for 6-days at our process plants. The students will be trained at RCF Thal Unit, Alibag for the same in the field of Chemical Engg discipline.

Participants' Profile and Batch Size:

All participants attending the training programme will have the following criteria:

3. d.   
3.6.2016

1

(ID No. PU/ENGG/134/1999)

- Certificate of bonafide student of MIT-AoE, Pune with College Identity Card.
- Number of participants per batch shall be about 25 to 30 (Maximum 40).

Venue and Duration of Training:

This training shall be conducted at RCF Ltd., Thal Unit, Alibag, Raigad-402208.

The duration of the above training shall be 6 days from 9.00 a.m. to 5.00 p.m. on each day and mostly from Monday to Saturday in the **First/Second week of June** of the Year.

1. This tie-up for Training Programs will be valid from **1<sup>st</sup> April 2016 to 31<sup>st</sup> March 2017** which can be extended by the parties on mutually agreed terms and conditions.

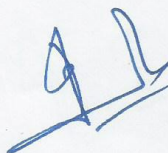

2. The scope of RCF is as mentioned below pertaining to the Chemical Engineering.

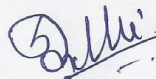

Student should be exposed to following points pertaining to Chemical Engineering.

- (a) Overview of Unit Operations.
- (b) Overview of Unit Process.
- (c) Overview of Pumps and Compressors
- (d) Trouble shootings in the plants.
- (e) Practical visit to the Respective Plants.
- (f) Conducting Quiz & distribution of certificates at the end.

3. MIT-AoE, Pune and RCF, Thal Unit covenant with each other that there shall be no hands on training of process equipment's and no disturbance to be caused to running plants by students/participants.
4. MIT-AoE, Pune shall depute one or two Faculty / Staff members / Coordinators with each group to take care of the group & to provide necessary support to the students in the capacity of their guardian throughout the training / stay with RCF.

3. d.   
3.6.2016

5. Commercial terms and conditions:

a) Course Registration: MIT-AoE, Pune shall intimate RCF the names of the candidates for training and for accommodation and the expected dates of training to RCF well in advance. The Participant students will be provided accommodation during training period in our Kihim Guest House at Kihim subject to availability on chargeable basis as per the rate prescribed by the company i.e. **Rs.300/- per day per student**. In case of non-availability of accommodation, the participant students will have to make their own arrangement for their stay.

b) Based on the invoice/bills raised by RCF, the MIT-AoE, Pune shall pay the training charges. The training charges will be **Rupees 1000/- (Rupees One Thousand only)** per student per day basis. This will cover the cost of training, one copy of course material, mid- morning Tea / Coffee – Snacks & Lunch on the training days. The payment is to be made to RCF by Demand Draft drawn in favour of **"RCF Ltd." Payable at "SBI Thal "**.

c) RCF will issue certificate of participation to each student on completion of training.

6. This Tie up for Training Programs can be terminated by either of the parties by issuing a prior written notice of one month to the other party.

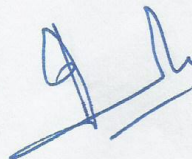

7. Medical and Local Conveyance:

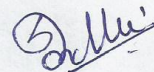

The participants have to make their own arrangement for medical expense and local transportation during the course of training at RCF.

8. Discipline, Safety and Security norms:

The participant students shall maintain discipline in the company premises. The participant students shall be required to observe safety precautions and rules of the company. The participant students will have to strictly follow the instructions of the official of the company. They should not visit the plant without instructions and permission. For any incident/accident, the participant students (Institute) shall be solely responsible and RCF will not be liable for the same, or for any injury suffered.

3.4.   
3.6.2016

9. Communication Details:

## Memorandum of Understanding

### Purpose:

This Memorandum of Understanding is entered with effect from 1<sup>st</sup> August 2014 between

**MIT Academy of Engineering, Alandi, Pune Chemical Engineering Department** (hereinafter referred to as MITAoE, Pune) which expression shall where the context allows include any assigns of the company)

AND

**Techint India Pvt. Ltd. Mumbai** (herein after referred to as TIPL which expression shall where the context allows include any assigns of the company)

1. This MoU is signed between the above two organizations for the sole purpose of promoting and enhancing the Industry-Institute interaction
2. As per MoU, TIPL will assist MITAoE Pune by granting the permission for
  - A) One Industrial visit for Students / Staff per year
  - B) Industrial training for one group of four students for duration of two to four weeks.
  - C) Guest Lecture as per the expertise available in industry
3. As per MoU, MITAoE Pune will help TIPL by providing
  - A) On campus library facility
  - B) Arrangement for campus interview
  - C) Information about pass out graduates for recruitment purpose
  - D) Career counseling lectures for wards of employee
  - E) Professional / Soft Skill training programs given in table I

*Dellu*

*Dellu*

Table I

Sr. No.	Type of Training program	Duration in days *	Minimum Number of participant	Charges per participant (Rs.)	Relevance
1	Process simulation using Aspen HYSYS	5	10	5,000	Professional skills
2	AutoCAD	5	10	3,000	Professional skills
3	Stress Management	2	10	2,000	Refresher course
4	Creativity and Innovations	2	10	2,000	Soft skills
5	Professional Behavior	2	10	2,000	Soft skills

\* The above courses will conducted in non academic period. (During the month of April to June and October to December.)

**4. Now This Memorandum of Understanding Witnesses As Under:**

I. This MoU will be valid from 1<sup>st</sup> August 2014 to 31<sup>st</sup> July 2016 which can be extended by the parties on mutually agreed terms and conditions.

II. MITAoE, Pune and TIPL, Mumbai covenant with each other that there shall be no hands

on training and no disturbance to be caused to routine activity by students/participants.

**5. Commercial terms and conditions:**

I. MITAoE, Pune shall intimate the names of the student and date of training to

TIPL

well in advance.

II. TIPL will issue certificate of participation to each student on successful completion

of

**TECHINT**  
Engineering & Construction  
industrial training.

6. This MoU can be terminated by either of the parties by issuing a prior written notice of  
1

(one) month to the other party.

## About INNOVETIA

**Innovetia Consulting Engineers India Pvt Ltd** is a niche design engineering and training solution provider company specializing in delivering innovative solutions and services to leading organizations worldwide. Armed with able, experienced professionals and development centre in pune we help global companies gain significant market advantage through customer-centric, high-quality and cost-effective design engineering, project management and training solutions.

Innovetia team comprises of highly motivated, competent and passionate people with hands-on experience in a spectrum technology and business domains. The people strengths are supported by robust and scalable global delivery models that help us in meeting our customer expectations and project deadlines with efficiency.

Innovetia's engineering solutions are with comprehensive understanding of customer needs and requirements. We pride ourselves of being a seamless extension to our clients' in-house engineering thus maintaining a collaborative and transparent relationship during the entire engagement life cycle. Our processes, methodologies and services are customized to ensure that our delivery model is flexible, reliable and extremely cost-effective. Our both technical and behavioural training services are designed to work as extended arm for our clients and working closely with them to fulfil the niche and revenue loss positions.

Innovetia's trainings have helped us to become preferred partner for several of our clients and training programs are launched with the objective of building leaders for transformational change considering various challenges in the market. Innovetia's focus is on providing a contemporary and practical learning environment to professionals, equipping them to emerge winners in an ever-changing and challenging market conditions as well as profession.

**Innovetia** team emphasizes practical knowledge along with the academics, bringing together real life business ideas, professional experiences and expertise with academic knowledge. With faculties from industry as well as academia, learning at **Innovetia** integrates together real time experiences with academic knowledge bridging the gap between a conventional academic programs and one that sets professionals up for success.

These are the extensive training programmes which are aimed at getting rid of the practicalities along with applications of various behavioral/soft skills for Engineering and Management students as well as working

Professionals. These modules deals with helping the participants to understand and make understood the key management skill sets through lot of knowledge sharing, interactions and brainstorming ideas from various experts with special references to the wider applications of behavioral sciences and tools used in various national and multinational organizations and corporates.

Training and development solutions primarily seek to give the exposure to the various national and international engineering and management practices and standards to the participants.

**About MIT AOE:**

The MIT Group of Institutions is one of the most prestigious academic groups in the state Maharashtra which comes under the aegis of the Maharashtra Academy of Engineering and Educational Research (MAEER), Pune. The Maharashtra Institute of Technology (MIT) was one of the first few private engineering institutes established in the state in 1983.

MIT Academy of Engineering (MITAOE), Alandi, Pune, was established in 1999 under MAEER by the honorable Prof. Dr. Vishwanath D. Karad, Founder and Executive President of MIT Group. The institute offers seven UG programs (B.Tech) and three PG programs (M.Tech). Recently, the UGC has honored the institute with 'Academic Autonomy' considering the quality of pedagogical practices, research, faculty and the state-of-the-art infrastructure that meets global standards.

Today, MITAOE is regarded as one of the best professional institutes in Maharashtra. This fact has been even exemplified by the Savitribai Phule Pune University (SPPU), by honoring the institute with the 'Best Engineering College (Professional Courses) award. The institute has made its mark by excelling in academics and research and it continues to grow as a 'Centre of Excellence' in engineering education and research. The NBA Accreditation to all branches, 'A' Grade by NAAC and the 2(F) & 12(B) status from the UGC, are the testimony to our pursuit of excellence.

**Objective:**

This MOU dated 01/07/2019 is for collaboration between parties to support and implementation of "Industry – Institute Interaction". Both parties believe that close cooperation between the two would be of major benefit to the student's community to enhance their skills, knowledge and employability.

Under this agreement INNOVETIA and COLLEGE will do and abide to following activities:

**1. Industry Institute Interaction / Guest Lecture/ Industry Visit**

- INNOVETIA will arrange or participate in Two Industry-Institute interactions in a year. No fees will be charged by INNOVETIA for Industry-academic interactions. Only travel and food expenses of Industry expert/professional to be taken care by college (MITAOE).
- College will fix up a timeslot and INNOVETIA will arrange an industrial visit as well as session of industry Experts by mutual consent to interact with the students.
- For Industry/project site visit cost of travel of students to be taken care by college.
- College will organize two technical events in year where INNOVETIA will provide industry Experts/speakers.

**2. Sponsorship / Assistance :**

- INNOVETIA will provide project sponsorship or free project assistance to final year students to do the major project.
- INNOVETIA will also provide sponsorship for technical events organized by the school if found feasible.

**3. Technical Workshops/Seminars and Skill development Programs:**

- As a part of Skill Development Programme Innovetia will prepare technical training modules and Softwares training modules of design Softwares as per requirement of MIT AOE and conduct technical workshop/seminars for Civil Engineering students on mutually agreed commercials and time slots/duration mutually agreed to MITAOE & INNOVETIA.
- The workshop/seminar will give students an exposure to advanced engineering practices and technologies available in the market and used by the industry.
- If INNOVETIA organizes any workshop in college then College will provide manpower and other infrastructure.
- Students participating in workshops/skill development programmes will be given certificates jointly by INNOVETIA and MITAOE.

**4. Behaviors workshop and Skill Development Programs**

- As a part of Skill Development Programme Innovetia will prepare training modules as per requirement of MIT AOE and will take care of overall development of Students by empowering them with the trainings for various Soft skills and Life Skills required to excel in an individual's life as well as profession.
- INNOVETIA will train the students on the behavioral aspects to bridge the skill gap and make them industry ready.
- Training Workshops & personality/Soft skill development Programs would be arranged by Innovetia twice in year on mutually agreed commercials and time slots/duration mutually agreed to MITAOE & Innovetia.
- Students participating in workshops/skill development programmes will be given certificates jointly by INNOVETIA and MITAOE.

**5. Training/Internships:**

- Under this agreement INNOVETIA will be the preferred partner of college for providing Integrated (technical and soft skill trainings or internship) for our MITAOE students.
- Innovetia will offer technical and behavioral internships to students for durations ranging from 1 Month-3 Months without charging any Cost/Fees.

**6. Placement Assistance:**

- INNOVETIA may also choose to come for a pool campus activity if the college is participating in the same to increase the employability of students.

**7. Faculty Development Programmes:**

- INNOVETIA may also facilitate faculty development programmes for MITAOE professors and staff to enhance all round development.

**8. Research and development activities:**

- INNOVETIA may also facilitate effective utilization of the intellectual capabilities of the MITAOE faculty through joint research and development activities keeping in mind the upcoming need of the industry as well as put joint efforts to fill Industry-academic gaps.

**Use of Logo:**

Both the parties agree that either party may use the logo of the other party for **promotional documents** and related to training only subject to the prior approval of the owner, but not for any commercial purposes.

**Dispute Redressal:**

Any difference or dispute between the Parties concerning the interpretation and/or implementation and/or application of any of the provisions of this MOU shall be settled amicably through mutual consultation or negotiations between the Parties, without reference to any third Party.

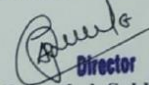

**Tenure & Termination:**

This Memorandum of Understanding shall be valid for **one (1) year** from day of its execution and may be extended further on mutual consent of both the parties unless terminated by either party by giving 30 days notice in writing.

### **MEMORANDUM OF UNDERSTANDING**

As per the Memorandum of Understanding between **MIT Academy of Engineering, Alandi (D.)** And **GK Enterprises, Rupi Nagar, Talwade, Pune.**

This Memorandum of Understanding (MoU) is entered into as of **3<sup>rd</sup> September, 2015**, by and between the **MIT Academy of Engineering, Alandi (D.)** and **GK Enterprises, Rupi Nagar, Talwade, Pune.**

#### **Article I:**

**This Memorandum of Understanding has been signed with objective of:**

1. To RECOGNIZE the mutual interest in the fields of research, training and development and dissemination of knowledge.
2. To RECOGNIZE the importance of the Industry Partner within its field of expertise.
3. Industrial Internship is an important aspect of the various programs of the **MIT Academy of Engineering, Alandi (D.)**. The students of institute will get exposure for the Industrial Internship in your organization which will be mutually beneficial for students and the organization.
4. To provide a platform where experts from the corporate and students come under one roof.

**This MOU will enable the parties to:**

- FOSTER research collaboration between Institute and Industry
- SET the ground for longer-term Institute-Industry partnerships for Industrial Internships, Placements, Guest lectures and Skill Development.
- PROVIDE Institute access to Industrial Environments for applied and problem-based research activities.

## **MEMORANDUM OF UNDERSTANDING**

As per the Memorandum of Understanding between **MIT Academy of Engineering, Alandi (D.)** and **DesignLIFE**.

This Memorandum of Understanding (MoU) is entered into as of **28<sup>th</sup> July 2018**, by and between the **MIT Academy of Engineering, Alandi (D.)** and **DesignLIFE**.

### **About MIT Academy of Engineering, Alandi (D.)**

MIT Academy of Engineering (MITAOE), Alandi (D), Pune, was established in 1995 under MAHEK by the honorable Prof. Dr. Vishwanath D. Karad, Founder and Executive President of the MIT Group. The institute offers seven UG programmes (B.Tech) respectively in Chemical, Civil, Computer, Electronics, E&TC, Information Technology and Mechanical Engineering, and three PG programmes (M.Tech) in Electronics, Computer and Mechanical Engineering. Today, MITAOE is regarded as one of the best professional institutes in Maharashtra. This fact has been even exemplified by the Savitribai Phule Pune University (SPPU), Pune by honoring the institute with the 'Best Professional Institute Award 2014'. The institute has made its mark by excelling in academics, research and it continues to grow as a 'Centre of Excellence' in engineering education and research. The NBA Accreditation to all branches, 'A' Grade by NAAC and the 2(F) & 12(B) status from the UGC, are the testimony to our pursuit of excellence. Recently, the UGC has honored us with 'Academic Autonomy' considering the quality of pedagogical practices, research, faculty and the state-of-the-art infrastructure that meets global standards.

### **About DesignLIFE, Mumbai**

DesignLIFE (hereafter referred to as the "DLIFE") is an Award Winning Design Studio, engaged in the field of industrial design, design research, conceptualization and providing implementation services in the field of Industrial Design. DLIFE have strong team of industrial designers, mechanical and electronics engineers, working on variety of domains like Consumer Electronics,

3.2 Nothing in this MOU obligates either party to commit or transfer any funds, assets, or other resources in support of projects or activities between the parties unless expressly stated in this agreement.

3.4 The activities of this MOU must be carried out in accordance with appropriate laws and regulations of Institute and the Industry.

## 2. Geometric Limited

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is made on 15/09/2010

### Between

Mechanical Engineering Department of (Added College Full Name and Complete Address) (hereinafter referred to as "MIT Academy of Engineering", which expression shall, unless repugnant to the context or meaning thereof, include its successors, legal representative and permitted assignees) on FIRST PART

### And

Geometric Limited, a Company duly organized and existing under the laws of India having its registered office at Plot 11, 3rd Floor, Pirojshanagar, Vikhroli (W), Mumbai-400 078 (hereafter referred to as "Geometric", which expression shall unless repugnant to the context or meaning thereof, include its successors, legal representative and permitted assignees) on SECOND PART

AND WHEREAS, "MIT AOE" is among the noteworthy academic institutes of Pune offering UG and PG programs in Mechanical Engineering, Civil Engineering, Electronics and Telecommunication Engineering, Computer Engineering and Information Technology.

AND WHEREAS, Geometric is a registered company, engaged in providing services related to the software engineering services, software training and the development, implementation and integration of computer software.

AND WHERE both "MIT AOE" and Geometric are desirous of associating with each other to expertise students of MIT AOE on Geometric's proprietary products (D/MPro and Geometric Stack up) as an addition to MIT AOE curriculum. Geometric will provide academic license of these products to MIT AOE ("Course").

Now therefore, in consideration of the premises and the actual covenants herein contained, it is agreed by both MIT AOE and Geometric as under.

### 1.0 Definitions and Interpretation

- 1.1 "MOU" shall mean this Memorandum of Understanding executed between MIT AOE and Geometric on 15th day of September, 2010.
- 1.2 "Party" or "Parties" shall mean MIT AOE and Geometric individually and collectively as the context may require.
- 1.3 The headings/subheadings/titles/sub-titles are only for the sake of convenience and shall not be interpreted to restrict or otherwise affect the meaning or import of the clauses, which shall be interpreted solely in light of the contents thereof.
- 1.4 Use of words in the singular includes the plural and vice versa and the masculine gender includes the feminine where applicable.
- 1.5 Where a word or phrase is defined, other parts of speech and grammatical forms of that word or phrase shall have the corresponding meanings. Any reference to

College Address

### Collaboration Partner Agreement

Memorandum of Understanding (MoU)

Dated: 1 June 2019

1. We 'Simulation Lab Pvt. Ltd.' incorporate under MSME having registered office at Pune, Maharashtra and UAN MH26D0058527 agree to partner 'School of Mechanical & Civil Engineering, MIT Academy of Engineering, Alandi, Pune' as 'Collaboration Partner' for accelerating and excelling the quality of research works across India.
2. 'Collaboration Partner Agreement' enables the partnered college's projects undertaken 'Online - Research and Analysis Center' service to automatically enroll in 'Private Investor Manufacturing Plan' which will facilitate with funding for manufacturing of product (project) on industrial scale; if found adequate by private investors.
3. 'Collaboration Partner' terms include participating of at least one professor willing to guide the progress of 'Product Development Center' team. The agreement is based on 'Self-Volunteering' and holds true that we are not dealing with any kind of financial demand to-or-fro or transaction with each other. The sole intension of this collaboration is to help and support the scientific researcher and development.
4. The agreement purely intended to synchronize knowledge between professor and 'Product Development Center' team without sharing any infrastructure or property that belongs to college or institute or university. Therefore, the liability of this agreement executively depends on the 'School of Mechanical & Civil Engineering'.
5. The agreement also includes showcasing of 'Environment and Energy Center' banner on notice board and electronically sending 'United We Stand' eMagazine to all the students.

### About VENVI MOTORS Pvt. Ltd.:

VENVI MOTORS was established in the year 2015 as partnership firm and was elevated to 'Private Limited Company' in 2018. VENVI has always delighted its customers by demonstrating high degree of commitment & integrity by delivering Quality products in time. VENVI Now aims to be known as solution provider in the field of electric vehicle.

VENVI does Production and supplying of Electric Vehicles and its components, it concentrates on the transformation of existing fuel 2-wheelers, 3-wheelers, and cars into the electric powered ones by creating hybrid and complete conversion kits for them.

We also offer innovating technologies in process performance, process mechanisms, control systems, advanced measurement and sensory systems, machine vision and testing systems with Robotics and Industry 4.0 assistance.

### OUR VALUES

1. Smart work
2. Trust
3. Excellence
4. Passion for growth
5. Spirit of partnership

VENVI exhibits great sense of responsibility towards Society and Environment, which aptly reflected in its Values.

### About MIT AOE:

The MIT Group of Institutions is one of the most prestigious academic groups in the state Maharashtra which comes under the aegis of the Maharashtra Academy of Engineering and Educational Research (MAEER), Pune. The Maharashtra Institute of Technology (MIT) was one of the first few private engineering institutes established in the state in 1983.

MIT Academy of Engineering (MITAOE), Alandi, Pune, was established in 1999 under MAEER by the honorable Prof. Dr. Vishwanath D. Karad, Founder and Executive President of MIT Group. The institute offers seven UG programs (B.Tech) and three PG programs (M.Tech). Recently, the UGC has honored the institute with 'Academic Autonomy' considering the quality of pedagogical practices, research, faculty and the state-of-the-art infrastructure that meets global standards.

## **VENVI Motors Pvt Ltd.**

CIN: U74999PN2018PTC177699

---

Today, MITAOE is regarded as one of the best professional institutes in Maharashtra. This fact has been even exemplified by the Savitribai Phule Pune University (SPPU), by honoring the institute with the 'Best Engineering College (Professional Courses)' award. The institute has made its mark by excelling in academics and research and it continues to grow as a 'Centre of Excellence' in engineering education and research. The NBA Accreditation to all branches, 'A' Grade by NAAC and the 2(F) & 12(B) status from the UGC, are the testimony to our pursuit of excellence.

### **Objective:**

This MOU dated 04/03/2019 is for collaboration between parties to support and implementation of "Industry - Institute Interaction". Both parties believe that close cooperation between the two would be of major benefit to the student's community to enhance their skills, knowledge and employability.

### **Under this agreement VENVI and COLLEGE will do and abide to following activities:**

#### **1. Faculty Development Program**

- A separate Faculty Development Program can also be designed based on mutual discussion between college and VENVI. The costing of this program will be decided based on the number of participants and contents of the program.

#### **2. Project Sponsorship / Assistance**

- VENVI will provide free project assistance to final year students to do the major project.

#### **3. Industry Institute Interaction / Guest Lecture/ Industry Visit**

- VENVI will arrange or participate one industry institute interactions in a year.
- College will fix up a timeslot and VENVI will arrange an industrial visit as well as industry speakers to interact with the students
- For Industry Visit cost of travel of students to be taken care by college

#### **4. Technical workshop and seminars**

- VENVI will take part for technical workshop/seminar for Mechanical engineering students
- The workshop/seminar will give students an exposure to advanced technologies that are available in the market and used by the industry

## VENVI Motors Pvt Ltd.

CIN: U74999PN2018PTC177699

### 5. Training/Internship

- Under this agreement VENVI will be the preferred partner of college for providing technical trainings or internship for our students.

### 6. Placement assistance

- VENVI may also choose to come for a pool campus activity if the college is participating in the same to increase the employability of students.

### 7. Research and development activities

- VENVI may also facilitate effective utilization of the intellectual capabilities of the college faculty through joint research and development activity, keep in mind the need of the industry.

### Dispute Redressal :

**(Hereafter referred as "SUDARSHAN REALITIES")**

## Sudarshan Realities

r. No: 101/1,2,3, Vitthal Nagar, Dehugaon, Tal: Haveli

Dist: Pune-412109 [s.newale36@gmail.com](mailto:s.newale36@gmail.com)

Mob No: 8805633636

### About SUDARSHAN REALITIES

Sudarshan Realities was established in the year 2015 as sole proprietor company and trying to elevate 'Private Limited Company' within next two years. Sudarshan Realities deals with the construction and redevelopment of residential as well as commercial properties in Pune.

### About MIT AOE:

The MIT Group of Institutions is one of the most prestigious academic groups in the state Maharashtra which comes under the aegis of the Maharashtra Academy of Engineering and Educational Research (MAEER), Pune. The Maharashtra Institute of Technology (MIT) was one of the first few private engineering institutes established in the state in 1983.

MIT Academy of Engineering (MITAOE), Alandi, Pune, was established in 1999 under MAEER by the honorable Prof. Dr. Vishwanath D. Karad, Founder and Executive President of MIT Group. The institute offers seven UG programs (B.Tech) and three PG programs (M.Tech). Recently, the UGC has honored the institute with 'Academic Autonomy' considering the quality of pedagogical practices, research, faculty and the state-of-the-art infrastructure that meets global standards.

Today, MITAOE is regarded as one of the best professional institutes in Maharashtra. This fact has been even exemplified by the Savitribai Phule Pune University (SPPU), by honoring the institute with the 'Best Engineering College (Professional Courses) award. The institute has made its mark by excelling in academics and research and it continues to grow as a 'Centre of Excellence' in engineering education and research. The NBA Accreditation to all branches, 'A' Grade by NAAC and the 2(F) & 12(B) status from the UGC, are the testimony to our pursuit of excellence.

### Objective :

This MOU dated 15/10/2018 is for collaboration between parties to support and implementation of "Industry – Institute Interaction". Both parties believe that close cooperation between the two would be of major benefit to the student's community to enhance their skills, knowledge and employability.

**Under this agreement SUDARSHAN REALITIES and COLLEGE will do and abide to following activities:**

#### 1. Sponsorship / Assistance

- Sudarshan Realities will provide project sponsorship or free project assistance to final year students to do the major project.

## **Sudarshan Realities**

r. No: 101/1,2,3, Vitthal Nagar, Dehugaon, Tal: Haveli

Dist: Pune-412109 s.newale36@gmail.com

Mob No: 8805633636

- Sudarshan Realities will also provide sponsorship for technical events organized by the school if found feasible.

### **2. Industry Institute Interaction / Guest Lecture/ Industry Visit**

- Sudarshan Realities will arrange or participate one industry institute interactions in a year.
- College will fix up a timeslot and Sudarshan Realities will arrange an industrial visit as well as industry speakers to interact with the students.
- For Industry Visit cost of travel of students to be taken care by college.

### **3. Technical workshop and seminars**

- Sudarshan Realities will take part for technical workshop/seminar for Civil engineering students.
- The workshop/seminar will give students an exposure to advanced technologies that are available in the market and used by the industry like CT, BDC, CPM etc.

### **4. Training/Internship**

- Under this agreement Sudarshan Realities will be the preferred partner of college for providing technical trainings or internship for our students.

### **5. Placement assistance**

- Sudarshan Realities may also choose to come for a pool campus activity if the college is participating in the same to increase the employability of students.

### **6. Research and development activities**

- Sudarshan Realities may also facilitate effective utilization of the intellectual capabilities of the college faculty through joint research and development activity, keep in mind the need of the industry.

### **Use of Logo :**

Both the parties agree that either party may use the logo of the other party for promotional documents and related to training only subject to the prior approval of the owner, but not for any commercial purposes.

### **Dispute Redressal :**

Any difference or dispute between the Parties concerning the interpretation and/or implementation and/or application of any of the provisions of this MOU shall be settled amicably through mutual consultation or negotiations between the Parties, without reference
