	<b>DATE</b>	11 <sup>th</sup> February, 2020

## **REPORT**

**Activity** : **One Day Technical Workshop cum Competition on CAD Modeling (CATIA software) for students.**

**Plan & Conducted By** : **Prof. Ashwin S. Chandore, SMCE, MITAOE**

**Trigger Point features** : **New features and advancement of CAD modeling in CATIA software**

**Date** : **Tuesday, 11<sup>th</sup> February, 2020**

**Venue** : **Prototyping Lab (H002), SMCE**

**Level of the Event** : **College level (for all school)**

**Event Coordinator** : **Prof. Ashwin S. Chandore**

**Expert for workshop** : **Mr. Durgaprasad Kalyani, (Design Center Incharge)  
Mr. Onkar Kshirsagar (Design Executive)  
DesignTech Systems Ltd. (Autocluster) Pune**

**No. of Participants** : **36**

**Details** : “One Day Technical Workshop cum Competition on CAD Modeling (CATIA software)” conducted for all students of MIT Academy of Engineering, Alandi. This competition will be based on best creative and innovative product modeling development with advanced features of CATIA Cad software.

This event was planned in two stages,

- 1) Workshop on CAD modeling advance feature of CATIA software.
- 2) Based on best creative and innovative product modeling live competition was conducted for the students. 36 students and faculties were participated in this event. This event was a good move toward enhancement of students in modeling and designing sector as per industry requirement. It was a sponsored event and sponsorship got from Design tech systems Ltd. Pune.

## Glimpse of Event:-

Faculty/Organizer
