Event Schedule

Round 1

(Day 1 of Event)

One webinar would be conducted where the participant would get guidance about the startups and entrepreneurship, participants would get a chance to interact with the speaker and also to ask various questions related to startups.

This will be an Elimination round where every participant has to give a small presentation of their idea  in front of a panel, explaining how their idea fulfills the criteria of zero investment and how their ideas are unique and involve innovation .

(Note: Idea can also be presented as a draft in form of proper documentation  or also through a short video )

Rubrics for Day 1

	1	3	5
Creativity	The idea shows little or no evidence of original thoughts.	The participant's work lacked sincere originality.	The idea is unique and original.
Implementation	The idea is realistic but not feasible to implement.	The idea is realistic and is feasible to implement.	The idea is realistic and feasible to implement and has all the solution for the problems coming in the implementation phase.
Presentation	Information is unclear and has little creativity.	Information is provided with acceptable knowledge and creativity.	Information is presented with knowledge and creativity.

Round

(Day 2 of Event)

It will be the final round of the competition, where every participant needs to pitch their idea  to the judges. It will consist of

1. Presentation of the Idea   
2. Cross-Questioning from the judging panel  
3. Final Grading from the panel on different criteria to declare the winner 

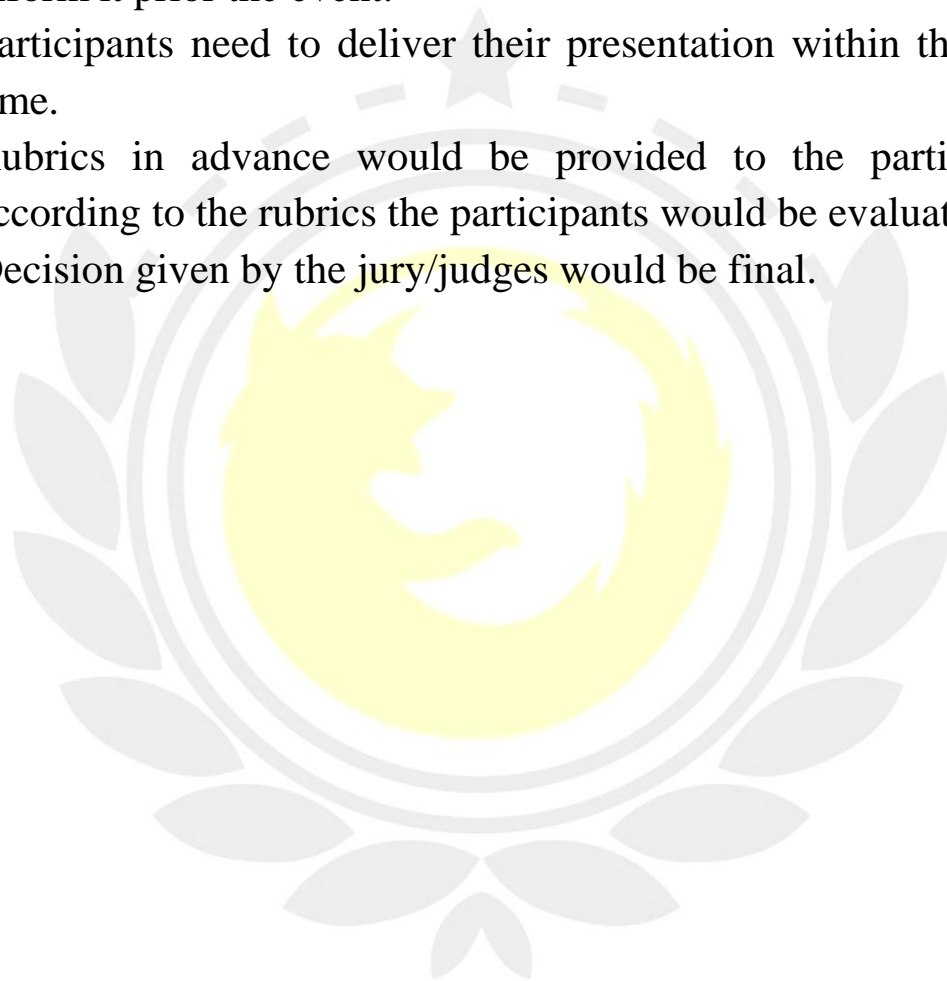

The top three ideas will win a cash prize  and will receive help in actually implementing their idea.
